movement in seventies India and who strongly opposed social discrimination and economic inequality Reliving the memories of an Indian forester: Memoir of S Shyam Sunder Shivsharan Someshwar,2020-01-01 Shyam Sunder s education in Mangalore and later in Madras followed a course predestined for entry in to the forest service In the Madras Presidency of the early 1950s selection to a Class I government post was highly coveted as well as restricted by numerous fences of exclusion However he succeeded due to several unusual events he narrates vividly in this memoir One of his early forestry mentors cautioned Shyam Sunder you ll either go very far or will lose your way I advise you to be careful As a researcher forest administrator and later as head of the forest department he always chose to do what felt right Inexplicably that hastened success throughout his career Except for a short period of two years when he lost most of his hair thanks to a despondent boss Shyam Sunder s career was a dream come true With the affection of 10 000 staff full support of the chief ministers he served under and ample confidence of the government Shyam Sunder made Karnataka a model state for forestry in India He retired in 1989 as the Principal Chief Conservator of Forests Shyam Sunder loved Jerome K Jerome s Three Men in a Boat To say nothing of the dog due to the similarity between the trip depicted in the book up and down the Thames and his own career In both cases life was interesting while not always smooth whether it was protecting forests in the Western Ghats from insatiable societal demands working with ministers intent on getting their way or striving to achieve conservation goals while being part of a labyrinthine bureaucracy Under his leadership partnering with a staff of ten thousand officials the forest department of Karnataka became the envy of departments across the country Shyam Sunder s memoir is a series of vignettes from numerous comedic to a tragic few The life narrated is varied and never short of excitement being ten yards from a charging tusker or a foot away from a King Cobra defying orders of the chief minister being hauled up for contempt of the high court and discussing with Indira Gandhi the best way to eat avocados Possessed of wit and passion the narration lays bare the hubris of popular discourse on noble forest livelihoods and unflinchingly narrates neglect of rural communities as well as of forests at times by the callous imposition of rules and regulations **My Life, My Profession** H. God of My Father Larry Crabb, Lawrence Crabb, Sr., 1994 Tells the story of a godly father and of God's abiding faithfulness to generations of children

The Unconditional Love for My Father Patricia Tuggles, 2020-08-12 This book is dedicated to my heavenly father My Lord and Savior and my biological father Johnny Harris Sr who passed away in 1995 Without the presence of them in my life there would be no me My biological father was the best father that anyone could image having I was so proud to call him my daddy I remember the countless times that he would take me to the store and when he saw someone that he knew he would introduce me as his baby Years later when I had to drive him to the store I was still being introduced as his baby One of his friends told him that I did not look like a baby He quickly corrected him and stated that I would always be his baby no matter how old I was As a little girl I watched the way my daddy worked hard and took care of his family without complaining As an adolescent I realized that I had his work ethics As an adult I admired his determination and dedication to family and friends At an early age my parents instilled in me positive morals and values which molded me to be the God fearing woman I am today I am so thankful and blessed
