**Obsession Masquerading as Discipline** Dr. Julian V. Robert, 2025-12-25 Obsession Masquerading as Discipline is a workbook designed to help readers distinguish between healthy dedication and destructive obsession Dr Julian V Robert challenges the Trophy of Exhaustion and the Gold Star Syndrome arguing that many high achievers are actually suffering from a fear of the void rather than a drive for excellence The book explores the Biological Tax of chronic striving the Hollow Avatar we create for social approval and the Optimization Trap that treats life as a problem to be solved rather than experienced It offers tools like the Doorframe Rule to help readers step out of the Ghost in the Living Room role and reconnect with a life measured in shared moments rather than productivity metrics      *The Return of Louis XVIII* Gilbert Stenger, 1909      House documents, 1891      **American Illustrated Magazine**, 1924      *Rising* Patrick Sean

Lee, 2015-09-17 In the spectacular and corrupt city of Polit sixteen year old Alana Bendrece and her family live in squalor in a walled in ghetto aptly named Black After having killed an attacker from outside her caste neighborhood she is arrested quickly tried and then condemned Hours later Alana is flown in a Helicere II aircraft to a land far far away An island only a

chosen few even know exists A place reserved for special cases Blindfolded and with her hands lashed behind her back she is pitched out the cargo door as the aircraft approaches the island Terrified she falls and falls and falls But death doesn't capture young Alana rather the cords of a vast net stretched along the shoreline of a frightening beach What awaits her in this strange new land is at times confusing wonderful and yet more horrific than anything she has experienced in her life There are people inhabiting the amazing island called Folly those who live high in the massive branches of five hundred foot tall trees and those who dwell in a Medieval like walled city many miles away from the mighty giants of the lush forest Alana soon discovers that despite her rescue by a young tree dweller someone living in one or the other or both of these vastly different groups on Folly wants her dead and they will destroy the island and every person on it in order to get it done Yet Alana has a power One that even she is unaware of Her challenge will be to evade capture and torture and in the process discover the true depths of this gift and rescue those she has come to love
