Richard Bailey

House Rules Jodi Picoult:

House Rules Jodi Picoult, 2010-04-03 From the 1 New York Times bestselling author of *Small Great Things* and the modern classics *My Sister's Keeper*, *The Storyteller* and more comes a complex, compassionate and smart *The Washington Post* novel about a family torn apart by a murder accusation. When your son can't look you in the eye, does that mean he's guilty? Jacob Hunt is a teen with Asperger's syndrome. He's hopeless at reading social cues or expressing himself well to others, though he is brilliant in many ways. He has a special focus on one subject: forensic analysis. A police scanner in his room clues him in to crime scenes, and he's always showing up and telling the cops what to do. And he's usually right. But when Jacob's small hometown is rocked by a terrible murder, law enforcement comes to him. Jacob's behaviors are hallmark Asperger's, but they look a lot like guilt to the local police. Suddenly, the Hunt family, who only want to fit in, are thrust directly in the spotlight. For Jacob's mother, it's a brutal reminder of the intolerance and misunderstanding that always threaten her family. For his brother, it's another indication why nothing is normal because of Jacob. And for the frightened small town, the soul-searing question looms: Did Jacob commit murder? *House Rules* is a provocative story in which Picoult explores the pain of trying to comprehend the people we love and reminds us that the truth often travels in disguise. People *House Rules* Jodi Picoult, 2010-04-27 One of the most moving stories that I have ever read. A masterpiece. Everyone should read this book. Reader review: Just wow! This book made me laugh, cry, and want to hug the characters. So well researched, which made it completely believable. Reader review: The number one Sunday Times bestseller that will stay with you forever in your heart from master storyteller Jodi Picoult. Emma Hunt has spent fifteen years raising Theo and Jacob on her own and has created what she sees to be a stable and happy life for them despite the challenges of Jacob's Asperger's syndrome. Jacob's behaviour has sometimes frustrated Emma, but she has never doubted her son's good heart. Yet when his tutor is found dead, suspicion begins to surround Jacob and the Hunt family, who have never quite fitted into the community. Now, as more and more evident links connect Jacob to the crime, Emma is determined to prove her son's innocence. Can she believe in it? Everyone is hooked by *House Rules*. Absolutely amazing read. Had me guessing the whole way through. Then the ending. Love it. Reader review: What an emotional gut punch. Utterly engrossing and deeply thought-provoking. I can't wait to discuss this one with the book club. THAT ENDING. Reader review: Everything I look for in good fiction: made me laugh, made me cry, and kept me intrigued until the very end. Reader review: Captivated me from the very beginning. Existing Picoult fans will find everything they love in this novel. Reader review: A joy to read: great characters, interesting situations, and gripping plot. Reader review: Had me gripped from beginning to end. The characters are believable and likeable. I loved the ending, too. Great read. I couldn't put it down. Reader review: Utterly gripping. Stylist. A real page-turner.
