**Headless** Goldin + Senneby (Group of artists), 2009 Goldin + Senneby is the framework for collaboration between Swedish artists Simon Goldin and Jakob Senneby. Since 2004, Goldin + Senneby have initiated projects which explore juridical, financial, and spatial constructs through notions of the performative and the virtual. Through actions and theoretical pursuits, they interrogate the mythologies created by virtual economies and fictional personae. Their timely exhibition at The Power Plant comes at a crucial moment as the confidential activities of corporations are being traced and investigated in the wake of collapsed world markets and global economic instability. *Headless* consists of two distinct perspectives on Goldin + Senneby's ongoing work. A documentary film whose creation has been delegated by Goldin + Senneby to directors Kate Cooper and Richard John Jones reflexively involves investigative journalist Gavin MacFadyen, who lends his expertise to the filmmakers to suggest how they should make a documentary about *Headless Ltd*. The documentary will be produced over the course of the exhibition and screened in three segments released on 12 December, 24 January, and 13 February. The other perspective is developed by independent curator Kim Einarsson and scenographer Anna Heymowska, who have been contracted to produce a pedagogical display. This display introduces the viewer to K.D., who is both the fictional author of
