Guerrilla Marketing Jason Myers, Jay Conrad Levinson, Merrilee Kimble, 2022-03-01 Focused on low cost strategic marketing concepts that will creatively promote a compelling product or

service Guerrilla Marketing's winning approach relies on knowledge, time, energy, and imagination rather than a big marketing budget. Now the winning continues with **Guerrilla Marketing Volume 2: Made in China** by Amelia Pang, 2021-02-02. A Most Anticipated Book of the Year, Newsweek Refinery29 Timely and urgent, Pang is a dogged investigator. The New York Times Moving and powerful, Chris Hedges Pulitzer Prize winning journalist and author. Discover the truth behind the discounts. In 2012, an Oregon mother named Julie Keith opened up a package of Halloween decorations. The cheap foam headstones had been five dollars at Kmart, too good a deal to pass up. But when she opened the box, something shocking fell out: an SOS letter handwritten in broken English: "Sir, if you occasionally buy this product, please kindly resend this letter to the World Human Rights Organization. Thousands of people here who are under the persecution of the Chinese Communist Party Government will thank and remember you forever." The note's author, Sun Yi, was a mild-mannered Chinese engineer turned political prisoner, forced into grueling labor as punishment for campaigning for the freedom to join a forbidden meditation movement. He was imprisoned alongside petty criminals, civil rights activists, and tens of thousands of others. The Chinese government had decided to reeducate by carving foam gravestones and stitching clothing for more than fifteen hours a day. In **Made in China**, investigative journalist Amelia Pang pulls back the curtain on Sun's story and the stories of others like him, including the persecuted Uyghur minority group whose abuse and exploitation is rapidly gathering steam. What she reveals is a closely guarded network of *laogai* forced labor camps that power the rapid pace of American consumerism. Through extensive interviews and firsthand reportage, Pang shows us the true cost of America's cheap goods and shares what is ultimately a call to action, urging us to ask more questions and demand more answers from the companies we patronize.
