Mometrix Test Preparation has no affiliation with ACT Inc and this product is not approved or endorsed by ACT Inc. The Mometrix guide is filled with the critical information you will need in order to do well on your ACT exam: the concepts, procedures, principles, and vocabulary that the ACT Inc expects you to have mastered before sitting for your exam. The English section covers Conventions of Standard English, Production of Writing, Knowledge of Language, The Mathematics section covers Number and Quantity, Algebra, Functions, Geometry, Statistics and Probability, Integrating Essential Skills. The Reading section covers Key Ideas and Details, Craft and Structure, Integration of Knowledge and Ideas. The Science section covers Scientific Inquiry and Reasoning, Physics, Chemistry, Biology, Ecology, Geology, Earth Science and Weather, Space Science. The Writing section covers Brainstorm, Strength Through Different Viewpoints, Start Your Engines, Don't Panic, The Short Overview, and much more. Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing but are explained in detail. The Mometrix ACT study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of ACT practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth in order to make the principles and reasoning behind it crystal clear. All 3 practice tests are available to take in online interactive format, allowing you to immediately score your test and see what you got wrong. We've also printed 1 practice test in your guide for offline reference. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step by step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals.
