Marketing and Logistics Led Organizations Robert Mason, Barry Evans, 2017-10-03 Logistics and marketing stand out as two disciplines which are connected and both are critical to the provision of customer value Marketing and Logistics Led Organizations looks at marketing led logistics and logistics led marketing In the current business world the idea of a single supply chain has been replaced by an integrated multi channel approach The authors therefore examine how to optimise profit and control costs through the coordination of these two functions Marketing and Logistics Led Organizations takes an in depth look at physical supply chains where manufacturing of a product occurs from groceries to pharmaceuticals and from automotive to construction The authors examine omni channel how this affects the customer experience and the need for a joined up strategy which is operationalised across all channels They also look at the challenges of digitalisation and the customer interface with the growth of the internet as well as the intensification of competition across all sectors

Anglicisms around the Globe Henrik Gottlieb, Anabella-Gloria Niculescu-Gorpin, Alicja Witalisz, Keisuke Imamura, Jaime W. Hunt, 2025-11-14 This collection explores the global impact of English through fact based and contrastive analyses of different types of Anglicisms across a wide range of languages This volume showcases the ways in which contact induced language change operates across several different languages simultaneously This approach allows for an examination of similarities and differences in the adaptation processes of English models in languages with differing phonetic morphological syntactic and writing systems Drawing on data from the Global Anglicism Database GLAD the first multilingual repository featuring lexical and phraseological Anglicisms chapters look not only at visible Anglicisms such as augmented reality or easy listening which reflect their English origin but also at invisible Anglicisms cases in which English expressions are translated verbatim and cases when words in a recipient language change their meaning due to English influence This volume offers a multi layered perspective on how Anglicisms develop and blend into different languages and readers are presented with a nuanced understanding of contact induced language change This book will appeal to students and scholars interested in language contact World Englishes language policy and planning bilingualism and lexicography [Digital Media Distribution](#)

Considering Pragma-Dialectics Peter Houtlosser, Agnes van Rees, 2014-04-04 Considering Pragma Dialectics honors the monumental contributions of one of the foremost international figures in current argumentation scholarship Frans van Eemeren The volume presents the research efforts of his colleagues and addresses how their work relates to the pragma

dialectical theory of argumentation with which van Eemeren's name is so intimately connected. This tribute serves to highlight the varied approaches to the study of argumentation and is destined to inspire researchers to advance scholarship in the field far into the future. Replete with contributions from highly esteemed academics in argumentation study, chapters in this volume address such topics as Pragma-dialectic versus epistemic theories of arguing and arguments, Pragma-dialectics and self-advocacy in physician-patient interactions, The pragma-dialectical analysis of the ad hominem family, Rhetoric, dialectic and the functions of argument, and The semantics of reasonableness. As an exceptional volume and a fitting tribute, this work will be of interest to all argumentation scholars considering the astute insights and scholarly legacy of Frans van Eemeren.
