Dear Mr. Lewis,

My name is Jamie  
Marketing Director  
Brightline  
123 Main Street, Suite 456  
Miami, FL 33101

Dear Mr. Lewis,

I'm excited to apply for the Content Marketing Specialist position at Brightline. When I read that a cover letter was required, I saw it as a great opportunity to not just check a box, but to show why this role fits the bright line you expect by following yours.

For the past three years, I've led 100+ other content campaigns at a fast company focused on productivity tools. I built and executed strategies that increased organic traffic by 40% and contributed directly to a 15% rise in qualified leads. Beyond the numbers, though, what made the work exciting was the opportunity to combine storytelling with data to drive real business results—something Brightline emphasizes in its brand and product work.

What stood out to me in your job description was your emphasis on experimentation and creative collaboration. I thrive in that kind of environment. In fact, one of my favorite projects involved running weekly webinars on newsletter formats to better understand what resonated with our audience. It taught me how to test, iterate, and scale—exactly the right mindset to bring the needed to your team.

I hope the chance to contribute to Brightline's success with content is just what you need as a content strategist. Thank you for the opportunity to apply.

Best regards,  
Jamie Chen
