Cyber Monday In The Us Open Now:

Buy Now Emily West,2022-02-22 How Amazon combined branding and relationship marketing with massive distribution infrastructure to become the ultimate service brand in the digital economy Amazon is ubiquitous in our daily lives we stream movies and television on Amazon Prime Video converse with Alexa receive messages on our smartphone about the progress of our latest orders In Buy Now Emily West examines Amazon s consumer facing services to investigate how Amazon as a brand grew so quickly and inserted itself into so many aspects of our lives even as it faded into the background becoming a sort of infrastructure that can be taken for granted Amazon promotes the comfort and care of its customers but not its workers to become the ultimate service brand in the digital economy West shows how Amazon has cultivated personalized intimate relationships with consumers that normalize its outsized influence on our selves and our communities She describes the brand s focus on speedy and seamless ecommerce delivery represented in the materiality of the branded brown box the positioning of its book retailing media streaming and smart speakers as services rather than sales and the brand s image control strategies West considers why pushback against Amazon s ubiquity and market power has come mainly from among Amazon s workers rather than its customers or competitors arguing that Amazon s brand logic fragments consumers as a political bloc West s innovative account the first to examine Amazon from a critical media studies perspective offers a cautionary cultural study of bigness in today s economy

Strategic Retail Management and Brand Management Doris Berger-Grabner,2021-10-25 The retail industry and associated business models have gone through a significant phase of disruption The rapid emergence of new technologies digital business models and the evolution of social media platforms as a new sales channel continue to influence the sector Key contextual or external trends will affect and shape the retail landscape in the years to come Therefore it seems important to prepare for this situation and be ready with a head start in terms of knowledge This textbook provides its readers basic knowledge about the national and international retail sector and gives important insights into trends and developments It deals with key trends in particular new patterns of personal consumption evolving geopolitical dynamics technological advancements and structural industry shifts Moreover it explains why it is so important that retailers use these trends adapt their retail strategies and tactics create strong brands and come up with innovative new ways of doing business Today we are living in a challenging time for retail This textbook tries to give insights and explanations to better understand these challenges and provide managerial implications
