The Business of Sports Scott Rosner, Kenneth Shropshire, 2011-01-07 The Business of Sports Second Edition is a comprehensive collection of readings that focus on the multibillion dollar sports industry and the dilemmas faced by today s sports business leaders It covers professional Olympic and collegiate sports and highlights the major issues that impact each of these broad areas The Second Edition provides insight from a variety of stakeholders in the industry and covers the major business disciplines of management marketing finance information technology accounting ethics and law Each chapter features concise introductions a broad range of focused readings and targeted discussion questions and graphs and tables to convey relevant financial data and other statistics

The Big Leagues Go to Washington David George Surdam, 2015-04-15 Between 1951 and 1989 Congress held a series of hearings to investigate the antitrust aspects of professional sports leagues Among the concerns ownership control of players restrictions on new franchises territorial protection and other cartel like behaviors In *The Big Leagues Go to Washington* David Surdam chronicles the key issues that arose during the hearings and the ways opposing sides used economic data and theory to define what was right what was feasible and what was advantageous to one party or another As Surdam shows the hearings affected matters as fundamental to the modern game as broadcasting rights player drafts and unions league mergers and the dominance of the New York Yankees He also charts how lawmakers from the West and South pressed for the relocation of ailing franchises to their states and the ways savvy owners dodged congressional interference when they could and adapted to it when necessary

Bears vs. Cardinals Joe Ziemba, 2022-09-01 In their early years the Chicago Bears and the Chicago Cardinals the two oldest teams in the National Football League travelled the country with only rare mention in the newspapers Both teams later saw their official records destroyed by fire Most of what is now known about those initial seasons is based on often inaccurate statements made many years later Reconstructing their missing history this book draws on newly available resources to document the battles and brawls on and off the field the cunning backroom deals the financial woes and the 40 year rivalry that endured while both teams were in Chicago Figures like Al Capone Red Grange Jim Thorpe and Bronko Nagurski make appearances in the lore of two old adversaries whose uneasy alliance helped ensure the survival of the fledgling NFL

The Everything Kids' Football Book, 8th Edition

Greg Jacobs,2024-09-03 Packed with fan favorite games and puzzles inspirational player profiles and instructions on how to play the game The Everything Kids Football Book is returning for a new season with updated stats and an all new section on flag football Everything kids need to know about America s favorite sport is in this updated edition of The Everything Kids Football Book 8th Edition including expanded information on flag football In The Everything Kids Football Book 8th Edition young fans will find dozens of interactive puzzles and games and discover current stats for all of their favorite players and teams This book introduces football fans of all ages to the various positions they can play teaches them the rules and history of the game and gives them tips and tricks to develop their skills From the first Pop Warner game to the latest Super Bowl this book is sure to be a touchdown for both kids and parents Pro Football Prospectus Aaron Schatz,2006-08 Presenting a new year of groundbreaking intelligence this guide includes team and player ratings that correct for situation and opponent to reveal true contributions to success a unique statistical toolbox featuring DPAR Defense adjusted Points Above Replacement and more **The History of "Wide World of Sports" and Its Format Comparison with Sports Illustrated Magazine** Richard Kilpatrick Wells,1974 *The Official National Football League Record and Fact Book, 1993* National Football League,1993-07 The only record book authorized by the NFL and distributed to media around the world to assist in their coverage of the NFL Includes game by game summaries of the 1992 season 1992 team and individual stats top passing rushing receiving and quarterback sack performances 1993 NFL draft summary and more **Broadcasting** ,1981 *Loyola Entertainment Law Journal* ,1983 Indians in Unexpected Places Philip Joseph Deloria,2004 Despite the passage of time our vision of Native Americans remains locked up within powerful stereotypes That s why some images of Indians can be so unexpected and disorienting What is Geronimo doing sitting in a Cadillac Why is an Indian woman in beaded buckskin sitting under a salon hairdryer Such images startle and challenge our outdated visions even as the latter continue to dominate relations between Native and non Native Americans Philip Deloria explores this cultural discordance to show how stereotypes and Indian experiences have competed for ascendancy in the wake of the military conquest of Native America and the nation s subsequent embrace of Native authenticity Rewriting the story of the national encounter with modernity Deloria provides revealing accounts of Indians doing unexpected things singing opera driving cars acting in Hollywood in ways that suggest new directions for American Indian history Focusing on the late nineteenth and early twentieth centuries a time when according to most standard American narratives Indian people almost dropped out of history itself Deloria argues that a great many Indians engaged the very same forces of modernization that were leading non Indians to reevaluate their own understandings of themselves and their society He examines longstanding stereotypes of Indians as invariably violent suggesting that even as such views continued in American popular culture they were also transformed by the violence at Wounded Knee He tells how Indians came to represent themselves in Wild West shows and Hollywood films and also examines sports music and even Indian people s use of the automobile an ironic counterpoint to today s highways

teeming with Dakota pick ups and Cherokee sport utility vehicles Throughout Deloria shows us anomalies that resist pigeonholing and force us to rethink familiar expectations Whether considering the Hollywood films of James Young Deer or the Hall of Fame baseball career of pitcher Charles Albert Bender he persuasively demonstrates that a significant number of Indian people engaged in modernity and helped shape its anxieties and its textures at the very moment they were being defined as primitive These secret histories Deloria suggests compel us to reconsider our own current expectations about what Indian people should be how they should act and even what they should look like More important he shows how such seemingly harmless even if unconscious expectations contribute to the racism and injustice that still haunt the experience of many Native American people today

Making the Majors Eric M. Leifer,1995 In this in depth look at major league sports Eric Leifer traces the growth and development of major leagues in baseball football basketball and hockey and predicts fundamental changes as the majors pursue international expansion He shows how every past expansion of sports publics has been accompanied by significant changes in the way sporting competition is organized With each reorganization the majors have created teams closer in ability bringing repetition to competition across time only to expand and energize the public s search for differences between teams and for events that disrupt the repetitive flow The phenomenal success of league sports Leifer writes rests on their ability to manufacture inequalities for fans to latch on to without jeopardizing the equalities that draw fans in Leifer supports his theory with historical detail and statistical analysis He examines the special concerns of league organizers in pursuing competitive balance and presents a detailed analysis of how large city domination has been undermined in the modern era of Major League Baseball Using games from the four major league sports he then shows how fans can themselves affect the course of competition In NFL football for example fans account for nearly all of the persisting inequality in team performance The possibility of sustaining inequality among equals emerges from the cross pressures that fans and leagues place on competition With substantial data in hand Leifer asks the essential question facing the leagues today how can they sustain a situation that depends entirely on simultaneous equality and contention one in which fan involvement may evaporate as soon as one team dominates His answer has significant implications for the future of major league sports both nationally and internationally

Pro Football Prospectus 2008 Aaron Schatz,2008-07 A handbook for fantasy football players and pro football fans includes detailed team and player ratings along with predictions about the upcoming season and the odds on each team as a Super Bowl contender

Statistical Thinking in Sports Jim Albert,Ruud H. Koning,2007-07-12 Since the first athletic events found a fan base sports and statistics have always maintained a tight and at times mythical relationship As a way to relay the telling of a game s drama and attest to the prodigious powers of the heroes involved those reporting on the games tallied up the numbers that they believe best described the action and bes
