Twice Rewarded Doreen T. Steel, 2001-04-04 This book is a typical murder romance but it has comedy silliness family support and friendship This book will take you out of your life and make you laugh shake your head agree with it cry over the sentimentality and just plain feel good and root for the heroin Every emotion you have will come into play I cried and I wrote it I laughed I got a little embarrassed and I wished certain things would happen to me And some did This story is about a girl who loses her parents tragically at age 16 and for years seems to be a % magnet but then like all stories she meets Mr right and is terrified of that This story will make you want romance dream of great friendships remember the girl in high school who was your arch enemy and you still have no idea it will make you think of the cute guy you loved but he was more messed up than you were so you never approached him it will give you dreams and ideas and longings And it will tell you what it feels like to have a baby in a graphicly insensitive way that will have you saying Yep I know that's true So if you want to escape go back a couple hundred years indulge in fantasy and just have fun well why don't you buy this book and see how far it will take you If you have questions or comments I respond to all of them in e mail form I'd really appreciate feedback on the chapter excerpt you can read here So please what do you think Do you want to get lost Get out of your daily life and go away If you do buy this book *A Forbidden Alchemy: The Exhilarating Brand New Romantasy from Beloved Booktok Star Stacey McEwan* STACEY. MCEWAN, 2025-07-03 Riordan Kathi S. Barton, 2015-10-19 Riordan Harrison can't believe it Everyone is pissed at him and he doesn't see what the fuss is all about All he did was tell the woman that she was his mate He couldn't

help it that his tiger caused him to pin the woman to the counter and she proceeded to throw him to the ground and cover him with sticky pastries Now no one will talk to him including his secretary He hasn't claimed the woman yet and it is all seeming like it's more trouble than it's worth Storm Browning Stormy to her friends is a wounded war hero She's done her duty and just wants to live a quiet life run her little bakery without any hitches The majority of the men she commanded in the war had been shifters so she wasn't surprised when the big oaf sniffed her out claiming that she was his mate But that doesn't mean she has to agree with it What else could she do He had to go He'd hightail it and run anyway when he saw her scars they all did She couldn't emotionally handle that not again at any rate But if Riordan is going to get back on everyone's good side he'll have to make peace with the woman Even though he thinks he's innocent he'll go for a visit and maybe apologize but after he gets there things go from bad to worse Stormy is targeted for assassination and he's in the line of fire
