Sentenced to a life of solitude away from the people she served, the people she loved. With her departure, she was given a warning: if she fell in love and took a mate, that she would be brought back and immediately put to death, and her new mate along with her. The Limo that Keith Golden was riding in was in a horrific accident, rolling down an embankment. He was trapped and felt his life slipping away until a vision of an angel clouded his view. Harley saw the whole thing and the instant she found the were-tiger trapped in the huge vehicle, she knew he was her mate. Her instincts told her to run; taking a mate was a death sentence for them both, but she couldn't let him die. Now that Keith had found his mate, he wasn't about to let her go. Was it their destiny or a fool's journey? Would love be enough to thwart a king's rule and make her stay? Would a difference of opinion drive a wedge in the Golden family, tearing them apart from each other forever?
