internet has been fully integrated into people's daily lives worldwide over the past years. The percentage of the world's population with access to the internet has doubled from 32% in 2011 to 63% in 2021. 90% of people from developed countries access the internet in 2021. At the same time, the number of social network users is increasing. These networks have the purpose of connecting with friends. In 2022, 5 billion people have access to the internet worldwide, and 4.7 billion people use social media. SM. Ultimately, 93% of those with internet access own at least one SM account, that is, more than half the population worldwide. Through time, companies found new marketing strategies which reached active people on SM. These platforms are necessary to reach Generation Z people born in the late 1990s. They are different and cannot be reached in the same way as they watch Netflix instead of TV or listen to Spotify instead of the radio, for example. Influencer marketing became a 10 billion industry in 2020. Influencers share their lives on SM networks. Due to their high reach, they receive offers from companies for cooperation. Influencers' followers admire and trust their recommendations due to their personal and authentic representation. While advertising products, influencers show how to use them, where to buy them, and give their opinion. For higher sales, influencers often receive promo codes for a discount or free products for each order.

Mastering Money: How to Beat Debt, Build Wealth, and Be Prepared for any Financial Crisis Norm Champ, 2019-11-15. Overcome debt, make smart money decisions, and build a financially secure future. Do you support your family, pay your taxes, get the bills done on time, and yet still struggle to achieve financial security? If so, you're not alone. About one-third of all Americans have not saved for retirement, another third have no savings at all, and more than half have no budget. How did we get here? Two words: financial illiteracy. As money and finance have become more complex over the decades, the average American has not been able to keep up, in essence leaving our personal financial decisions up to banks, bureaucrats, policymakers, and even fraudsters. Norm Champ, a former director at the Securities and Exchange Commission (SEC), provides an in-depth primer on how money works, designed just for you, the non-finance reader. Champ shows how to pay off your loans and stay out of debt for the long run. Build savings that will see you through thick and thin. Avoid financial disaster from bad credit deals to outright scams. Start building a safe, smart investing portfolio. Our financial system is easier to grasp than you think, and armed with this new knowledge and insight, you'll finally take control of your financial future. When you know how money works, you make better financial decisions. It's that simple. *Mastering Money* demystifies finance and provides plain-spoken, straightforward advice for building a solid financial foundation you can count on in good times and bad.
