**Hollywood Vampires** Kelly Loudenberg, Makiko Wholey, 2015-06-17 An explosive new book on the infamous trial Depp v Heard Hollywood Vampires paints an intimate picture of what was really going on behind the viral headlines between Johnny Depp and Amber Heard with never before told stories from their inner circle Celebrity romances have always captured the public s imagination playing out like soap operas seized upon by fans and tabloids alike By the same token high profile trials can take over the mainstream media cycle with both news pundits and the public picking over every detail to predict outcomes and cast their own judgements Enter the union dissolution and hostile legal battle between Johnny Depp and Amber Heard where these dual obsessions collided creating a chaotic moment of true cultural fixation Hollywood Vampires offers an inside account of one of the most controversial and consequential celebrity scandals of the internet era Fueled by viral clips reaction videos and endless online debates the trial became more than a legal battle It became a public spectacle dividing audiences worldwide Kelly Loudenberg and Makiko Wholey were journalists on the ground for the Depp v Heard trial Having closely followed Johnny Amber and their camps they spent the years leading up to and following the trial interviewing the couple s closest allies as well as their managers lawyers agents business associates publicists assistants and personal staff The result is a page turning Hollywood epic full of revealing details that tell a wider tale about the celebrity industrial complex modern fandom inflammatory culture wars and contemporary feminism Turning the lens around Hollywood Vampires questions how the celebrity exploitation machine strengthened by the forces of social media and legacy media alike blurs the lines between fact and fiction comedy and horror It forces us to ask ourselves why we take celebrity culture so seriously in the first place and who wins and who loses when Hollywood becomes the vehicle for our own personal and political causes
