The Labour Monthly Rajani Palme Dutt, 1922 Black Friday and Other Stories David Goodis, 2006 It's winter in Philadelphia. January cold coming in off two rivers. Hart is broke, freezing, looking for a place to lay low from the cops. If he can't find somewhere soon he might do something rash like steal an overcoat and accept a wallet containing 11,000 from a man dying from gunshot wounds in the street. Whoever killed him might have a bed though even if that means hanging out with a bunch of thieves and drifters while the heat blows over. Lucky for Hart he's handy with his fists. And if he can use his looks and smarts to get in with the gang maybe he can ride this out and score big on his own. Originally published in 1954, *Black Friday* is one of David Goodis's leanest, meanest, melancholy thrillers. In the character of Hart, it features one of his classic tortured romantic heroes, a man who becomes mired in circumstances from which there is no escape. In this edition, *Black Friday* is combined short stories unpublished since they were first written for pulp magazines in America over 50 years ago. *Black Friday* S.
