*Chronicle* Bell & Howell Co. Indexing Center, 1986      *The Rise and Rise of Illegal Ticket Touting* Alessandro Moretti, 2023-02-10

This book presents an ethnographic study of contemporary ticket touts in the UK. Despite the recent interest in the topic of black market ticket sales, media coverage and parliamentary interventions over the last ten years have revealed a widespread lack of knowledge with regard to the phenomenon of touting and the players engaging in the practice. *The Rise and Rise of Illegal Ticket Touting* sheds light on the world of touting and delivers an authentic picture of the individuals involved, of their methods, values and motivations for performing ticket touting as an organised entrepreneurial deviant activity. The touts' varied methods of buying and selling tickets, the hierarchical structures and strict ethos of their criminal organisations, and their specific *modi operandi* for evading detection and arrest both on the streets and online are focal points of the study. Of equal importance are the touts' attitudes, perceptions and adaptations to or outright dismissal of society's legal and moral frameworks. This book illuminates why historic and renewed attempts to challenge ticket touting have been unsuccessful, focusing on inadequate legislation, a lack of enforcement, and the widespread corruption and exploitable loopholes that exist within the official primary ticket market. An accessible and compelling read, *The Rise and Rise of Illegal Ticket Touting* will appeal to students and scholars of criminology, sociology, social policy, policing, and all those with an interest in live music and sport and the hidden practices that lurk beneath the surface.

This is likewise one of the factors by obtaining the soft documents of this **Concert Tickets Review** by online. You might not require more time to spend to go to the books foundation as well as search for them. In some cases, you likewise pull off not discover the revelation Concert Tickets Review that you are looking for. It will extremely squander the time.

However below, later than you visit this web page, it will be as a result definitely simple to get as well as download lead Concert Tickets Review
