Pontus and the Outside World C. J. Tuplin, 2004 This volume deploys both written epigraphic papyrological and literary and archaeological pottery metalwork evidence to cast new light on the economic cultural and political contacts between Pontus and the Mediterranean world in the archaic classical Hellenistic and Roman periods

All the Queen's Jewels, 1445-1548 Nicola Tallis, 2022-11-29 From Margaret of Anjou to Katherine Parr All the Queen's Jewels examines the jewellery collections of the ten queen consorts of England between 1445 1548 and investigates the collections of jewels a queen had access to as well as the varying contexts in which queens used and wore jewels The jewellery worn by queens reflected both their gender and their status as the first lady of the realm Jewels were more than decorative adornments they were an explicit display of wealth majesty and authority They were often given to queens by those who wished to seek her favour or influence and were also associated with key

moments in their lifecycle These included courtship and marriage successfully negotiating childbirth and thus providing dynastic continuity and their elevation to queenly status or coronation This book explores the way that queens acquired jewels whether via their predecessor their own commission or through gift giving It underscores that jewels were a vital tool that enabled queens to shape their identities as consort and to fashion images of power that could be seen by their households court and contemporaries This book is perfect for anyone interested in medieval and Tudor history queenship jewellery and the history of material culture

Castellani and Italian Archaeological Jewelry Susan Weber

Soros, Stefanie Walker, Bard Graduate Center for Studies in the Decorative Arts, 2004-01-01 During the nineteenth century in Rome three generations of the Castellani family created what they called Italian archaeological jewelry which was inspired by the precious Etruscan Roman Greek and Byzantine antiquities being excavated at the time The Castellani jewelry consisted of finely wrought gold that was often combined with delicate and colorful mosaics carved gemstones or enamel This magnificent book is the first to display and discuss the jewelry and the family behind it International scholars discuss the life and work of the Castellani revealing the wide ranging aspects of the family's artistic and cultural activities They describe the making and marketing of the jewelry the survey collection of all periods of Italian jewelry on display in the Castellani's palatial store and the Castellani's activities in the trade of antiquities as they sponsored excavations and restored dealt and exhibited antiques They also recount the family's involvement in the cultural and political life of their city and country
