# Life in the City

I'm Jill, and I'm from New York. I live in an apartment with my mom, dad, and sister. In the mornings, I typically walk to school, but when it's rainy, I take the subway. My mom is a teacher at my school, so we travel there together each day. My school is really large, with over 5,000 students, and it starts at 8:00 AM. I study subjects like math, English, Spanish, science, and computers. Spanish is my favorite class, and I try to do my best because I'm hoping to visit my family in Spain this summer.

For lunch, I usually bring a sandwich from home because I'm not a fan of the school lunches. After school, I play basketball with my friends. I also attend Drama Club once a week, which I enjoy a lot. I come home around 4:00 PM and relax for a bit. Although I like to watch TV at night, sometimes I need to do my homework instead. I look forward to weekends because I can sleep in and enjoy some free time.

On weekends, I like to go to the park and hang out. I don't have to rush like during the school week, so I can take my time and enjoy the day. It's a great way to unwind and relax. I always look forward to these moments of peace after a busy week at school.
