Moffett, Arthur I. Stonehill, David K. Eiteman, 2009 By grounding concepts with case studies and real world examples this text
familiarises finance and international business students with the fundamental concepts and tools necessary to implement an
effective global financial management strategy *Organized Crime* Frank Shanty, Patit Paban Mishra, 2007-09-24 This
fascinating work is a two volume guide to the shadow world the critical issues and the global reach of organized crime
Despite its impact on international security and the world economy organized crime is an unusual topic for a reference book
Difficult to research the high profit high risk subculture of drug lords diamond smugglers and sex slavers is rarely
investigated by scholars *Organized Crime An International Encyclopedia* ventures behind the scenes into this hazardous
territory In the first volume expert contributors offer a global perspective on issues such as weapons and arms trafficking
high tech and cyber crimes the future of organized crime and the connection between organized crime and armed conflicts
The second volume consists entirely of primary documents national and international laws and treaties that reflect the
international community's many attempts largely ineffective to combat organized crime Together the two volumes provide
students and general readers with a road map to a shadow world with far reaching impact on the world we know
