### COVER LETTER

---

#### Dear Hiring Manager,

I have always followed Google's mission to organize the world's information and make it universally accessible and useful. As a product manager, I am excited to bring my experience in user-centric product development to Google, where I can contribute to the company's mission and make a meaningful impact on the world.

In my current role at [Company], I spearheaded a comprehensive strategy review that aligned product development with customer market needs, resulting in a successful repositioning of the [Product Name] platform. This initiative not only boosted user engagement but also led to a 15% growth in revenue and market share. By establishing a data-driven decision-making process, my efforts resulted in a 20% increase in user retention and ultimately contributed to a substantial cost saving of \$1 million.

I am eager to bring my track record of thoughtful product strategy and complex problem-solving to Google, where I can continue my growth and help you meet and surpass our ambitious product goals. I am looking forward to discussing how my skills and experience align with the innovative work at Google in a face-to-face meeting.

#### Best Regards,

Johnatan Wright
