Warranty Fraud Management Matti Kurvinen, Ilkka Töyrylä, D. N. Prabhakar Murthy, 2016-06-13 Cut warranty costs by reducing fraud with transparent processes and balanced control Warranty Fraud Management provides a clear practical framework for reducing fraudulent warranty claims and other excess costs in warranty and service operations Packed with actionable guidelines and detailed information this book lays out a system of efficient warranty management that can reduce costs without upsetting the customer relationship You ll dig into the whole spectrum of warranty fraud from simple sloppy procedures to systematic organized crime and get to know the fraudulent parties the victims as well as the objectives and methods of the fraudulent activities in different scenarios You ll learn how to implement controls to detect and reduce fraudulent claims and decrease the overall warranty costs The impact of fraudulent claims is plainly spelled out alongside detailed descriptions of typical symptoms and process gaps present in diverse companies A comprehensive multi modal framework for robust warranty management is presented as a template for revamping your own company s strategy Fraudulent warranty claims occupy an estimated 3 15 percent of the average company s warranty costs which generally average between 1 4 percent of sales Many companies are unaware of the issue or struggle to take action against the claims for fear of upsetting business partners or because they lack tangible evidence This book details a robust warranty control framework that institutes transparency and control over the whole warranty chain supporting the process far beyond just fraud reduction Understand the different actors customers sales channels service agents warranty providers etc and different forms of warranty fraud Uncover issues in your company s warranty processes Learn methods to detect and prevent fraudulent activities Implement a robust system of warranty cost control Warranty fraud is a major cost control issue for most companies but the sensitive nature of the topic leaves most reluctant to share their experiences and divulge their strategies Warranty Fraud Management brings warranty fraud out into the open and provides a clear actionable framework for cost savings through fraud reduction

A Labor of Love, Volume 2 Anna D. Arapakos, 2024-10-18 You hold the second of two volumes of one giant love story This story is about Arapakos father and how she came to care for him when he was elderly There is no more popular Greek myth than the one of the hero Hercules and while you may not know her father or her by the time she superimposes her father's saga onto the labors of Hercules you will Arapakos overarching aim is for you and your parents to benefit from what she has to tell you Hercules and she had much in common they both wanted to help make things right despite the odds and both proved victorious In Volume 2 the roles reverse and you find Arapakos taking on the part of Hercules as she performs her adaptation of the twelve Herculean Labors to care for her father when Huntington's disease began making its mark on his life and person She retells each labor Hercules undertook before making parallels to what she did for her father She is confident the herculean myth and her father's story will move you The circle of love can continue through your actions and a better informed mind and heart set for your loved one in need
