**Care** Brooke McAlary, 2021-06-16 From the internationally bestselling author of SLOW comes a new call to arms for a new approach to living well for everyone Tiny acts of care are everywhere A smile passed between strangers A moment spent noticing the light through the leaves A homemade meal shared with friends A parent chasing their child around the park smiles spread on their faces But when the world we live in is overwhelmingly a world of disconnection pain and division it makes sense to ask whether these acts of care beautiful moments of delight connection and kindness that they are really matter at all Brooke McAlary believes they matter In fact she believes they might be some of the most important actions we will ever take Now more than ever we re burnt out heartsick and overwhelmed by a world full of problems that seem too big to fix The solution doesn t lie in caring less and switching off Nor does it lie in caring more and throwing ourselves into further burnout The radical solution is to learn how to care small Tiny even Care The radical art of taking time explores what it means to care in small powerful ways for ourselves our loved ones and our communities and reveals that caring doesn t need to cost us our wellbeing happiness or connection to the world That making simple changes to how we live spending more time in nature putting down our devices and connecting with each other face to face finding awe and wonder in the world around us and remembering how to play will have ripple effects that reach far beyond our own corner of the planet With unwavering compassion and understanding Brooke McAlary takes us on a journey to rediscover the small pleasures that create large ripples reminding us that no one needs to shoulder the burden of doing it all by themselves we only need to cast our eyes forward and start small with care

*The Economist*, 2010 **The Billboard**, 1926 **Play Bigger** Al Ramadan, Dave Peterson, Christopher Lochhead, Kevin Maney, 2016-06-14 The founders of a respected Silicon Valley advisory firm study legendary category creating companies and reveal a groundbreaking discipline called category design Winning today isn t about beating the competition at the old game It s about inventing a whole new game defining a new market category developing it and dominating it over time You can t build a legendary company without building a legendary category If you think that having the best product is all it takes to win you re going to lose In this farsighted

pioneering guide the founders of Silicon Valley advisory firm Play Bigger rely on data analysis and interviews to understand the inner workings of category kings companies such as Amazon Salesforce Uber and IKEA that give us new ways of living thinking or doing business often solving problems we didn't know we had In Play Bigger the authors assemble their findings to introduce the new discipline of category design By applying category design companies can create new demand where none existed conditioning customers brains so they change their expectations and buying habits While this discipline defines the tech industry it applies to every kind of industry and even to personal careers Crossing the Chasm revolutionized how we think about new products in an existing market The Innovator's Dilemma taught us about disrupting an aging market Now Play Bigger is transforming business once again showing us how to create the market itself
