men could exist apart from each other as men They protected each other and would until their dying breath if it ever came to that They shared everything that is until Essie came along Essie was doing her best to hide from a mother that didn't even recognize her own daughter The witch had poisoned her with a scratch and if Essie wasn't healed soon she'd die Sick or not she didn't want anything to do with that handsome overbearing barbarian Asher nor that rude dragon that protected him She was doing just fine on her own But Asher had other things on his mind and after a while brings Essie around to his way of thinking and makes her his wife but Kieran brought up a valid point Essie was his mate too Could Essie find it in her heart to love both men equally To share the bed of both together Asher's five brothers and their dragons watched the scenario unfold with bated breaths The subject had never been broached and all their futures hung on the outcome Esmerelda Kathi S. Barton,2022-02-09 Esmerelda Esme to her friends and her warrior sisters had been around for several millennia Their time of fighting wars and conquering kingdoms was now a distant memory Before Queen Dante passed she'd graced her prized warriors the falcon hawk eagle phoenix vulture and owl with humanity as well as immortality It had been many years since Esme had been home around her sisters She was happy they found their mates but seeing them happy only reminded her she was alone Tristian had been through a lot and nothing in his life so far had been as he believed When he came into Esme's life and his memories restored Tristian's head was spinning However nothing compared to how totally in love he was with his new mate Kaleb Kathi S. Barton, 2015-01-09 1800 years ago It was time for him to die Rembrandt was ready He had put up a good fight and nearly died twice that day but now he was done and he was ready to die on the battlefield with the rest of his brethren Death would be merciful He would finally be with his wife and children A being clad in black had other ideas Rembrandt was meant to help him fight his cause and to help right a wrong that his kind had brought to this world He gifted the reluctant Rembrandt with a taste for blood and immortality and more so much more Back to the present Rembrandt had had enough He was over this life 1800 years ago and now he was just sick of it The creatures he fought the malefactors kept growing in numbers and he couldn't kill them fast enough to keep up He had fought the battle alone all these years and he wasn't sure he even wanted to anymore Skylar Manning was just trying to be nice The mysterious man dressed in black was hanging around after closing again It was the third time this week Only this time he grabbed her arm Her world changed forever Suddenly she found herself hunted by shadowy figures with razor sharp teeth and into the arms of a warrior who craved her as much as she did him Samuel Kathi S. Barton, 2013-10-15 Samuel Payne left his pride five years ago because of his father a cruel man with a heavy fist and little conscience Samuel despises the man and only goes back to save his mother and start a new life as far away from his father and the pride as he can get Taking a mate is at the bottom of his list of priorities Kennedy Buehler's brother Shamus promises her hand in marriage to a man older than her father and she is having no part of it so she flees to America The first job that looks promising is as a cook for Summer Payne Samuel's mother Kennedy hopes the job will pan out so she can afford an apartment and do a little better for herself Kennedy isn't banking on the master of the house taking any interest in her The last thing she needs is an overbearing man ordering her around again No job is worth that Kennedy's grandmother gives Samuel a proposition he can't refuse to marry Kennedy that very day and inherit all that she would have had she had been born a man and Kennedy feels betrayed again Samuel only wants to protect her from her brother He isn't counting on falling in love Samuel is a Were Lion Now that he's mated he is either supposed to be with his original pride or form a pride of his own Besides his mother he is the only Were Lion around However a rag tag group of Weres wants to join his pride bears wolves Will the Pride Council even allow this Danger pursues them at every turn his father Shamus and Alton Stockberry all are relentless and bloodthirsty When Samuel is trapped will the bond he's formed with Kennedy be enough to save him Find out in the first installment of Samuel's Pride Samuel *Brad* Kathi S. Barton, 2024-05-31 Brad Kirk came from old money very old money as he was an immortal He was gifted immortality and a great deal of magic by a bear group centuries ago He was a recluse and didn't like people much but he was a very shrewd businessman and had more money than he could spend in several lifetimes Becka Dillard had raised her nephew Toby since he was an infant He was too young when

his parents died to remember them Now sixteen Becca was the only mother he knew and he loved her dearly She was a trucker They lived on the road They never had much in the way of money but she had plenty of love to share even though she didn't care much for people in general They were early for her next delivery and thankfully had time for a hot sit down meal or so she thought anyway Some idiot wouldn't leave her alone accusing her of being the wife of some man named Kirk and he had a bone to pick with him Some days it didn't pay to get out of bed
