**Sapphire** Kathi S. Barton, 2013-09 Good morning Diamond And to what do I owe this pleasure Don t fuck with me and I won t you He started to snap at her but he simply nodded and sat down I m here about my sister She s hurt did you know that I hurt her yesterday when I moved her away from Diamond was shaking her head Then I don t understand How else was she hurt If you re talking about the wound on her back I didn t cause that one Jeffery Benetton did that and a great deal more to her And yesterday trying to get away from you she hurt herself even more She had a broken rib and a gash on her left hip that I had to put fifteen stitches in after she went to sleep Diamond sat down across from him as she continued Did you know that she gave up everything to keep us safe from men like you I m nothing like Benetton and I resent you coupling my name with his She only stared at him and he shifted on his seat Why are you here I came to see what kind of man you are I m not impressed Jeffery Benetton is the only other man that has ever shown an interest in Sapphire Erickson And Sapphire had nearly killed him to protect her family from the sadistic bastard She moves herself and her family into Blair Henson s territory to hide and protect her sisters from Jeffery They are all she has in this world Trust doesn t come easy to her and the wounds she received from Jeffery won t heal until she finds a new Alpha or a mate Neither option holds any appeal to her And the last thing she needs is another man ordering her around Blair Henson is the new Alpha in the territory He has enough on his plate running his successful business and doesn t have the time or desire for a mate When he meets Sapphire and recognizes her for who she is his mate the man wants to run in the opposite direction but his wolf he wants to dominate Blair tries to convince himself that he s chasing after Sapphire because he feels an overwhelming need to protect her and she just won t follow orders When he comes across as a complete jerk Sapphire really wants no part of him Of course leaving him isn t going to work she s his mate Now if only he can get his head out of his

ass learn to treat Sapphire the way she should be treated maybe just maybe there is a chance for them that is unless Jeffery Benetton finds her first *Fated to My Sister's Alpha* Jenny S. Wolfgang, 2026-02-10 He was my fated mate Until he chose my sister instead When I felt the mate bond snap into place with Derek Matthews future Alpha of our pack I thought my dreams had finally come true He was everything I'd ever wanted strong powerful destined to be mine forever But Derek had other plans You're not Luna material he told me coldly Sophia is perfect for this pack You're just inconvenient Inconvenient That's what he called the sacred bond between us While I collapsed from the pain of rejection Derek marked my own sister as his mate The pack celebrated their union while I bled out on the ceremony floor my soul shattered beyond repair They thought I was broken Weak A problem that exile would solve They were wrong Months later I'm not the same woman who begged for Derek's love I'm stronger deadlier and completely done being anyone's victim When my parents are kidnapped to draw me out I discover the betrayal runs deeper than I ever imagined Someone close to me orchestrated everything my rejection my exile my family's suffering Someone who thought I'd stay down and never fight back Big mistake Now Derek wants me back Says he made a terrible choice Says he never stopped thinking about our bond Too bad for him I've found someone who sees my worth without needing the Moon Goddess to spell it out Someone who chose me not because fate demanded it but because I earned it Derek had his chance to claim his fated mate Now it's my turn to claim my revenge
