**Amazon and Why** Danny Caine,2021-03-09 When a company s workers are literally dying on the job when their business model relies on preying on local businesses and even their own vendors when their CEO is the richest person in the world while their workers make low wages with impossible quotas wouldn t you want to resist Danny Caine owner of Raven Book Store in Lawrence Kansas has been an outspoken critic of the seemingly unstoppable Goliath of the bookselling world Amazon In this book he lays out the case for shifting our personal money and civic investment away from global corporate behemoths and to small local independent businesses Well researched and lively his tale covers the history of big box stores the big political drama of delivery and the perils of warehouse work He shows how Amazon s ruthless discount strategies mean authors publishers and even Amazon themselves can lose money on every book sold And he spells out a clear path to resistance in a world where consumers are struggling to get by In depth research is interspersed with charming personal anecdotes from bookstore life making this a readable fascinating essential book for the 2020s      *The Amazon* Lopes Gonçalves,1904      **The Rubber Industry of the Amazon and how Its Supremacy Can be Maintained** Joseph Froude Woodroffe,1916      *International Business* Frank McDonald,Colin Wheeler,2002-03-26 Published in association with the UK Chapter of the Academy of International Business AIB this ninth volume in the AIB series focuses on the new challenges and developments in the field of international business The book successfully brings together an integrated set of research concepts and results to present some contrasting views about how international business is adjusting to the challenges and opportunities that the 21st century presents      **Diplomatic and Consular Reports** Great Britain.
