The Power of Neurodiversity Thomas Armstrong, 2025-07-29 From a bestselling author and psychologist an exploration and celebration of neurodivergence completely revised with the most up to date research and insights From ADHD and dyslexia to autism the number of diagnosis categories listed by the American Psychiatric Association has tripled in the last fifty years With so many people affected it is time to revisit our perceptions of people with disabilities Thomas Armstrong illuminates a new understanding of neuropsychological disorders He argues that if they are a part of the natural diversity of the human brain they cannot simply be defined as illnesses Armstrong explores the evolutionary advantages special skills and other positive dimensions of these conditions including autism ADHD dyslexia schizophrenia anxiety intellectual disabilities and mood disorders With an emphasis on positive niche construction for each area *The Power of Neurodiversity* is a manifesto as well as a keen look at disability as well as a must read for parents teachers and anyone who is looking to learn more about neurodivergence

2,190 Days of Healing Luz M. Funes, 2021-07-15 Diagnosed with aggressive rheumatoid arthritis at age thirty Luz's life suddenly changes Getting diagnosed was a struggle Before she found out she had RA she was tested for a variety of autoimmune diseases such as systemic lupus erythematosus multiple sclerosis and others In this memoir she shares the journey her illness led her on and how she found the strength to keep living and transform anger into love even when she faced unimaginable pain For years she tried to pretend she did not have a problem But she finally decided to heal her mind body and spirit which led her to hell and back as well as a spiritual transformation Even though we're living in the twenty first century most people are unaware of how devastating RA can be to someone who suffers from it Whether you suffer from RA or want to support someone fighting the battle you'll find strength courage and hope with *2 190 Days of Healing* [this is all we know](#)

this is all we know Robin Anne Ettles, 2024-08-29 In this second collection of short stories Ettles offers a version of the Canadian landscape against which eccentric tales and colourful characters evoke ever shifting perspectives on what we see and who we are A modern working woman of 1983 looks to escape her version of nuclear family hell A lonely vampire seeks companionship A dysfunctional rural family harbours a white collar criminal on the run These and other narratives explore nuanced societal spaces of money youth food and fame city and country sexual orientation gender identity and expression Throughout the forging of identity for ourselves and for those around us is each ephemeral sublime surreal so real moment *this is all we know*

Shutout Avery Keelan, 2024-12-02 Tiktok sensation Avery Keelan is back with the second in the addictive *Rules of the Game* series *Shutout* an unputdownable and steamy college hockey romance He's the tall tattooed stranger I hooked up with on Halloween and now he's my new roommate After a sudden cross country move I'm stuck crashing with my older brother and two of his hockey teammates for sophomore year I'm not thrilled about shacking up with three athletes and their stinky gear rotating door of hookups and tendency to inhale every snack in the house Just one reason of many that hockey players aren't my type When I walk in the front door with an armload of boxes however I'm faced

with another problem My anonymous fling from two months ago is Tyler Donahue the superstar goalie for my brother s team We both agree to pretend it never happened but it quickly becomes clear neither of us can forget Before I know it we re exchanging heated glances from across the room sending spicy texts at all hours of the night and stealing kisses behind closed doors Since my overprotective brother would freak out we decide to keep things between us a secret There s no point in rocking the boat when I don t want a boyfriend and Tyler doesn t have time for a girlfriend with his grueling hockey schedule But as our no strings arrangement turns into something deeper and more meaningful I begin to see a softer side of the broody closed off goalie He s gentle protective and giving in every sense of the word Despite what I told myself going in I m falling hard and falling fast We said we d keep things casual but hearts have a way of breaking all the rules At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
