AUDREY LAWRENCE

Professional Job Title

COVER LETTER

NAME OF THE COMPANY
Company's official address
City, Country

Date: yyyy-mm-dd

Dear Hiring Manager/Talent Acquisition Team,
[if possible – address personally]

Start your introduction by naming the job you are applying for. Describe where you found the job and state your motivation for the application. Briefly describe how your experience and skills match the job and the company to get the reader's attention. The opening paragraph should be a short preview of the cover letter – maximum 4-5 sentences.

Use the middle section to describe how your previous experience qualifies you for this position and explain why you are the perfect match for the job. Furthermore, describe what you can do for the company. Avoid copy-pasting from your resume or simplified listing all your skills, competencies and strengths. Instead, use tangible examples from your work experience to show these traits in action.

- ⊖ A useful trick is to include two or three bullet points to highlight the most important information.
- ⊖ However, do not forget the information you have already included in your resume.
- ⊖ Do not simply duplicate it. Add more details and describe the context to create a story around it.

Use the closing paragraph to restate how your qualifications match their requirements and make you a strong fit for the company and the role. Express your interest in an interview. Thank the employer for their time and consideration.

Kind regards,
Audrey Lawrence
