

World Series Price

Daniel F McAuley

World Series Price:

Wins, Losses, and Empty Seats David George Surdam, 2021-08-06 Organized baseball has survived its share of difficult times and never was the state of the game more imperiled than during the Great Depression Or was it Remarkably during the economic upheavals of the Depression none of the sixteen Major League Baseball teams folded or moved In this economist's look at the sport as a business between 1929 and 1941 David George Surdam argues that although it was a very tough decade for baseball the downturn didn't happen immediately The 1930 season after the stock market crash had record attendance But by 1931 attendance began to fall rapidly plummeting 40 percent by 1933 To adjust teams reduced expenses by cutting coaches and hiring player managers While even the best players such as Babe Ruth were forced to take pay cuts most players continued to earn the same pay in terms of purchasing power Baseball remained a great way to make a living Revenue sharing helped the teams in small markets but not necessarily at the expense of big city teams Off the field owners devised innovative solutions to keep the game afloat including the development of the Minor League farm system night baseball and the first radio broadcasts to diversify teams income sources Using research from primary documents Surdam analyzes how the economic structure and operations side of Major League Baseball during the Depression took a beating but managed to endure albeit changed by the societal forces of its time Records and Briefs of the United States Supreme Court, 1832

The Age of Ruth and Landis David George Surdam, 2018-01-01 As the 1919 World Series scandal simmered throughout the 1920 season tight pennant races drove attendance to new peaks and presaged a decade of general prosperity for baseball Babe Ruth shattered his own home run record and buoyed by a booming economy professional sports enjoyed what sportswriters termed a Golden Age of Sports Throughout the tumultuous 1920s Major League Baseball remained a mixture of competition and cooperation Teams could improve by player trades buying Minor League stars or signing untried youths Players and owners had their usual contentious relationship with owners maintaining considerable control over their players Owners adjusted the game so that the 1920s witnessed a surge in slugging and a diminution in base stealing and they provided a better ballpark experience by both improving their stadiums and minimizing disruptions by rowdy fans However they hesitated to adapt to new technologies such as radio electrical lighting and air travel The Major Leagues remained an enclave for white people while African Americans toiled in the newly established Negro Leagues where salaries and profits were skimpy By analyzing the economic and financial aspects of Major League Baseball *The Age of Ruth and Landis* shows how baseball during the 1920s experienced both strife and prosperity innovation and conservatism With figures such as the incomparable Babe Ruth Kenesaw Mountain Landis Rogers Hornsby Ty Cobb Walter Johnson Tris Speaker and Eddie Collins the decade featured an exciting brand of livelier baseball new stadiums and overall stability **Sports Finance and**

Management Jason A. Winfree, Mark S. Rosentraub, Brian M. Mills, Mackenzie Zondlak, 2018-10-10 As the sport business continues to evolve so too does Sport Finance and Management The first version of this book took an in depth look at

changes in the sport industry including interconnecting financial issues between teams and their associated businesses the nature of fan loyalty influences and the impact of sponsorship on team revenues This second edition updates each of these elements introduces relevant case study examples in new chapters and examines the impact of changes in facility design media opportunities and league and conference policies on the economic success of teams the salaries earned by professional players and the finances of collegiate athletics

Spalding's Official Foot Ball Guide ,1927 The early volumes consist of rules only Later volumes consist of text and section Official foot ball rules The section was also reprinted and issued separately 19 Issued with separate covers and paging 19 19 25 called pt 4

Shibe Park-Connie Mack Stadium Rich Westcott,2012 No ballpark in Philadelphia was more revered than the one at Twenty first Street and Lehigh Avenue A must have for fans of Philadelphia and baseball history Originally called Shibe Park and later Connie Mack Stadium America s first steel and concrete stadium opened in 1909 When it closed in 1970 it had earned a special place in the hearts and minds of Philadelphia sports fans Home of the Athletics for 46 years the Phillies for 32 and a half seasons and the Eagles for 18 years it was also the site of many boxing matches Negro League baseball games and college and high school baseball and football games Over the years as the area developed Shibe Park became known for its obstructed views delicious hot dogs Sunday curfews absence of beer and boobirds Along with memorable teams and games the ballpark played host to eight World Series and two All Star Games Join Rich Westcott baseball writer historian author and president of the Philadelphia Sports Writers Association as he gathers archival photos capturing this legendary stadium s exciting history

Educational Times ,1891

The Cultural Encyclopedia of Baseball, 2d ed. Jonathan Fraser Light,2016-03-25 More than any other sport baseball has developed its own niche in America s culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major Leagues decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and includes 119 photographs
