MEM **Handbook of Research on Revisioning and Reconstructing Higher Education After Global Crises** Hai-Jew,
Shalin,2023-01-20 Global challenges in a chaotic context are ever in play emerging and receding in time At the present
moment the global challenges of the COVID 19 pandemic have resulted in several years of mass scale challenges and lost
learning and socialization from K 12 to higher education for many The pandemic has been a high consequence and
continuing event Universities and colleges have been under unprecedented budgetary strain Despite all the immense and
irreparable human losses humanity is moving forward with lessons from the past several years The Handbook of Research on
Revisioning and Reconstructing Higher Education After Global Crises explores how global higher education will recover from
the global pandemic at the micro meso and macro levels and how they will re establish their relevance for teaching and
learning research and innovation and social contributions Covering topics such as campus life online library services and
