influenced and reflect instead the suffering and fragmented aspects of women which correspond to contemporary women's struggles for self acceptance Reis further develops a newly emerging archetype that of the female body Through the work of women poets and artists Reis shows how women today can heal personally and collectively from abuse incest eating disorders and from the sometimes devastating effects of breast cancer by initiation into and through the Goddess BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The Talmud - A Personal Take Daniel Boyarin,2018-01-15 This collection of Daniel Boyarin's previously uncollected essays on the Talmud represents the different methods and lines of inquiry that have animated his work on that text over the last four decades Ranging and changing from linguistic work to work on sex and gender to the relations between formative Judaism and Christianity to the literary genres of the Talmud in the Hellenistic context he gives an account of multiple questions and provocations to which that prodigious book gives stimulation showing how the Talmud can contribute to all of these fields The book opens up possibilities for study of the Talmud using historical classical philological anthropological cultural studies gender and literary theory and criticism As a kind of intellectual autobiography it is a record of the alarms and excursions of a life in the Talmud The Journal of Narrative Technique ,1996 **The Oedipus Papers** George H.
