# Last Day of School!

It was the last day of school and the students were so excited! They had all been anxiously counting down the days until summer vacation. The classroom was full of buzzing energy as the students packed up their desks and gathered their things. The day started off with a special surprise. The teacher had a big box of ice cream for everyone to share. They all gathered around the table and passed out the delicious treats. Everyone was smiling and laughing as they enjoyed the sweetness of the ice cream. Next, it was time for an exciting game. The teacher had set up a scavenger hunt throughout the classroom. Each student was given an item and they had to find all the other items in the room. Everyone was running around and having a great time. When the students had found all the items, the teacher gave them a special reward. After the scavenger hunt, the students all gathered together for a final goodbye. The teacher gave each student a hug and thanked them for their hard work throughout the year. Everyone was feeling sad, but excited at the same time. It had been a great year, and they were all looking forward to summer vacation. The last bell of the day rang, and it was finally time to go home. The students ran outside and hugged each other one last time. They said goodbye, and the students all went their separate ways. The last day of school had been lots of fun, and the students were already looking forward to the next school year.
