Basic Computational Techniques for Data Analysis D Narayana, Sharad Ranjan, Nupur Tyagi, 2023-06-20. This book is designed to equip students to navigate through MS Excel and basic data computation methods, which are essential tools in research or professional settings and in classrooms. It illustrates the concepts used in research and data analysis and economic and financial decision making in business and in daily life. The book will help students acquire knowledge and develop skills in statistical techniques and financial analysis using MS Excel. With illustrations and examples, it will help the readers to visualize, present, and analyze data through MS Excel spreadsheets and tables and create personal or business spreadsheets. Learn how to work with spreadsheets, use formulae, and perform calculations and analysis. Create tables including Pivot Tables. Become familiar with basic statistical and financial measures. Design creative spreadsheets and communicate effectively in business using spreadsheets and data analysis. This revised and updated second edition will be an essential resource for students of economics, commerce, management, and other social science subjects and will be useful to those studying econometrics, financial technology, basic computational techniques, data analysis, and applied economics. Content: The book intends to illustrate the concepts used in economic and financial decision making in business and in daily life; it helps demonstrate a deeper understanding from both theoretical and practical perspectives. An effort has been made to make the book student-friendly by using simple language and giving a number of illustrations in each chapter solved in such a simple manner that they can be easily understood by the students. Practical questions have been included at the end of each chapter so that the students can independently solve them and test their understanding of the concepts and computations introduced in the chapter. Outcome: At the end, students will be able to describe what a spreadsheet is and what Excel's capabilities are and can work with elements that make up the structure of a worksheet. They will be able to work with spreadsheets and enter data in Excel, use formulae and calculations, and create tables, charts, and pivot tables. They will be familiar with basic statistical and financial measures of general use. They will be able to do basic computations in statistics and finance in Excel. Students will acquire the capacity to create personal and/or business spreadsheets following current professional and/or industry standards. Their potential for critical thinking to design and create spreadsheets and communicate in a business setting using spreadsheet vocabulary will be enhanced. The educational background required for the student to understand the text is some basic English and Mathematics of school-leaving level. Some flair for numbers will be an asset, and for them, it will be a

breeze others will have to make an effort but ample illustrations and practice questions make life simple whether it is basic statistics or slightly intricate finance PC World ,2000 **Protect Your Digital Privacy!** Glee Harrah Cady,Pat McGregor,2002 Discusses such electronic privacy concerns as what privacy is how it relates to individuals laws and regulations identity theft monitoring devices and how to protect Internet transactions **Internet Bible** Brian Underdahl,Keith Underdahl,2000-05-18 Revised and updated with new information on broadband options instant messaging e commerce security connection sharing gaming and more this excellent resource and guide Sys Admin magazine is truly the bible for anyone who wants to use the Internet more fully Inside discover Internet gospel truths The lowdown on service providers and high speed access How to customize and enhance browsers The Web s best software audio chat rooms and more Design software that works for Windows Macs or Linux The CD ROM features the Opera Web browser antis spam tools and a directory with live links *Get Online!* Reader's Digest,1999 Reader s Digest Communication Arts ,2002 **Macworld** ,2004 *Microsoft FrontPage 2002* Gary B.
