

Chapter 3Adjusting the accounts

- ◆ **Selecting an accounting time period:-** We divide the economic life of a business into artificial time periods usually month, quarter or a year (**time period assumption**)

Calendar year: - ends at December 31

Fiscal year: - begin at the first day of the month and ending 12 months later.

MCQ:- The time period assumption states that:-

- Revenue should be recognized in the accounting period in which it is earned.
- Expenses should be matched with revenues.
- The economic life of a business can be divided into artificial time periods.
- The fiscal year should correspond with the calendar year.
