Canada on the United Nations Security Council Adam Chapnick,2019-09-01 As the twentieth century ended Canada was completing its sixth term on the United Nations Security Council more terms than all but three other non permanent members A decade later Ottawa s attempt to return to the council was dramatically rejected by its global peers leaving Canadians and international observers shocked and disappointed This book tells the story of that defeat and what it means for future campaigns describing and analyzing Canada s attempts since 1946 both successful and unsuccessful to gain a seat as a non permanent member It also reveals that while the Canadian commitment to the United Nations itself has always been strong Ottawa s attitude towards the Security Council and to service upon it has been much less consistent Impeccably researched and clearly written *Canada on the United Nations Security Council* is the definitive history of the Canadian experience on the world s most powerful stage **Parliamentary Papers** Great Britain.
