The China Dream Jonathan A. Krane, 2022-05-03 WALL STREET JOURNAL BESTSELLER An American corporate executive's paean to 21st century China and a call for doing business there Kirkus Reviews Many people do not have a full understanding of China today yet it has created the greatest economic transformation in history Since the early 1990s hundreds of millions of people have moved to cities in China where they gain access to better schools health care and infrastructure as well as higher paying jobs China's GDP has grown from 300 per capita to more than 10 000 in the past 30 years and lifted more people into the middle class than in any other country at any other point in human history It is important for investors US companies and anyone interested in the global economy to understand China China is rapidly shifting from an export driven low cost manufacturer to a consumer driven economy and the wealth of China's 1.4 billion consumers continues to grow As the founder and CEO of KraneShares an asset management company focused on China and headquartered in New York author Jonathan A Krane provides an inside look at China's transformation into a global superpower and explains why the relationship between the US and China is the most critical economic relationship in the world today *The China Dream* is your guide to understanding China's unmatched economic growth and fully realizing its status as an essential element in any well designed investment portfolio global business and participation in the global economy

The Myth of Chinese Capitalism Dexter Roberts, 2020-03-10 The vivid provocative untold story of how restrictive policies are preventing China from becoming the world's largest economy Evan Osnos Dexter Roberts lived in Beijing for two decades working as a reporter on economics business and politics for Bloomberg Businessweek In *The Myth of Chinese Capitalism* Roberts explores the reality behind today's financially ascendant China and pulls the curtain back on how the Chinese manufacturing machine is actually powered He focuses on two places the village of Binghuacun in the province of Guizhou one of China's poorest regions that sends the highest proportion of its youth away to become migrants and Dongguan China's most infamous factory town located in Guangdong home to both the largest number of migrant workers and the country's biggest manufacturing base Within these two towns and the people that move between them Roberts focuses on the story of the Mo family former farmers turned migrant workers who are struggling to make a living in a fast changing country that relegates one half of its people to second class status via household registration land tenure policies and inequality in education and health care systems In *The Myth of Chinese Capitalism* Dexter Roberts brings to life the problems that China and its people face today as they attempt to overcome a divisive system that poses a serious challenge to the country's future development In so doing Roberts paints a boots on the ground cautionary picture of China for a world now held in its financial thrall Praise for *The Myth of Chinese Capitalism* A gimlet eyed look at an economic miracle that may not be so miraculous after all Kirkus Reviews A clearheaded and persuasive counter narrative to the notion that the Chinese economic model is set to take over the world Readers looking for an informed and nuanced perspective on

modern China will find it here Publishers Weekly A sophisticated and readable take of China s triumphs and crises A first hand witness to China s transformation over the past quarter century Roberts credibly challenges the myth of China s inevitable rise and global dominance Ian Johnson Pulitzer Prize winning author and Beijing based correspondent A potent mix of personal stories and deft analysis The Myth of Chinese Capitalism takes a hard look at China s migrants and rural people Mei Fong Pulitzer Prize winning journalist and author of One Child The Story of China s Most Radical Experiment
