## Early Access Deals Last 90 Days:

**Running Lean** Ash Maurya, 2022-02-23 We're building more products today than ever before but most of them fail not because we can't complete what we want to build but because we waste time, money, and effort building the wrong product. What we need is a systematic process for quickly vetting product ideas and raising our odds of success. That's the promise of **Running Lean**. In this inspiring book, Ash Maurya takes you through an exacting strategy for achieving product-market fit for your fledgling venture. You'll learn ideas and concepts from several innovative methodologies including the Lean Startup business model, design thinking, and Jobs to be Done. This new edition introduces the continuous innovation framework and follows one entrepreneur's journey from initial vision to a business model that works. Deconstruct your idea using a one-page Lean Canvas. Stress test your idea for desirability, viability, and feasibility. Define key milestones charted on a traction roadmap. Maximize your team's efforts for speed learning and focus. Prioritize the right actions at the right time. Learn how to conduct effective customer interviews. Engage your customers throughout the development cycle. Continually test your product with smaller, faster iterations. Find a repeatable and scalable business model.
