**Floating Through France (revised and updated)** Brenda Davison, 2012-08-14 This is the story of a trip from England to the south of France via the French canals It deals with day to day living as the couple Brenda John Davison make their journey often in company with other boats that they meet along the way The book has a simple charm as it deals with their adventures in locks encounters with the locals what they did well and what they did badly The whole trip was a positive experience as they overcame preconceptions regarding the French and built confidence in themselves and their craft The book is a re publication of Brenda s earlier version with an additional chapter describing their return journey 4 years later and changes they found It also includes new photographs Floating Through France is definately worth buying if you are contemplating a similar journey It is not a pilot book but may save you a few blunders along the way and provide you with a delightful read
