The financial shelves are filled with books that explain how popular carry trading has become in recent years. But none has revealed just how significant a role it plays in the global economy until now. A groundbreaking book sure to leave its mark in the canon of investing literature, *The Rise of Carry* explains how carry trading has virtually shaped the global economic picture, one of decaying economic growth, recurring crises, wealth disparity, and in too many places, social and political upheaval. The authors explain how carry trades work, particularly in the currency and stock markets, and provide a compelling case for how carry trades have come to dominate the entire global business cycle. They provide thorough analyses of critical but often overlooked topics and issues, including the active role stock prices play in causing recessions, as opposed to the common belief that recessions cause price crashes. The real driving force behind financial asset prices. The ways that carry volatility, selling leverage, liquidity, and profitability affect the business cycle. How positive returns to carry over time are related to market volatility and how central bank policies have supercharged these returns. Simply put, carry trading is now the primary determinant of the global business cycle, a pattern of long, steady but unspectacular expansions punctuated by catastrophic crises. *The Rise of Carry* provides foundational knowledge and expert insights you need to protect yourself from what have come to be common market upheavals, as well as the next major crisis. [The Folding Lady](#) Sophie Liard, 2022-04-26 Making her debut in 2020 and already followed by more than 3.8 million fans on TikTok, the internet sensation *The Folding Lady* shows everyone how to use her smart and simple home hacks and tips to fold any household item and organize difficult areas to create extra space and improve functionality in the home. In this illustrated guide, Sophie Liard brings her expertise together and teaches you how to fold all of your household items, from boxers, leggings, and socks to sheets, towels, and even napkins and wrapping paper. *The Folding Lady* shows you that anything is foldable and shares the inner joy that folding brings and offers extra tips on organizing drawers, desks, snack drawers, cosmetics, and more to make life a little easier and more manageable. Sophie encourages you to take charge of small, simple, and achievable tasks. Sometimes you have to let go of trying to tackle the big stuff and make the most of the little things that can be controlled. *The Folding Lady* will bring you comfort and help you find solace amid the daily stress. **L.
