Daly, 2013-09-09 The story of Canada s other game from its invention by a Canadian to its current struggle for popularity Basketball the only major world sport undeniably invented by a Canadian has ironically failed to win Canadians hearts more than a century after its creation James Naismith s brainchild is a popular recreational pastime in his homeland but players with bigger dreams had better take their talents south of the border Canadian hoops has languished in the seemingly eternal shadow of hockey with its cannibalization of air time advertising dollars and corporate capital Faced with limited opportunities at home as many as 50 teenagers flock to U S prep schools and colleges every year to chase their dreams of college stardom and much less likely a shot at glory in the NBA Against all odds a skinny kid from Victoria named Steve Nash managed to reach the pinnacle of the sport with a whirling dervish style that earned him two MVP awards in the world s greatest league Today a new generation of

Canadians stand poised to follow in Nash's path. But will their success spark a renaissance back home? This book chronicles basketball's struggle to overcome its history as a poor cousin in a hockey mad nation. **Acute Care Handbook for**

Druzin, 2013-10-01 A Canadian sportswriter profiles twelve legendary NHL goaltenders in a book that reveals the changing face of professional hockey in the last half century. Publishers Weekly: Some NHL goalies are great and others are intriguing characters but a select few are legends because they're both. Such is the case with the dozen players featured here. In *Between the Pipes* veteran hockey writer Randi Druzin profiles these athletes revealing the traits that make each one unique. Gump Worsley defied the laws of biomechanics by being nimble despite having a cabbage-shaped body. He was also one of the funniest men ever to start in goal. Glenn Hall used to wrestle with a trainer in the dressing room before games and Jacques Plante refused to stay at a particular Toronto hotel. Despite their quirks these twelve goalies are among the best the game has ever seen. With wit and verve Druzin paints unforgettable portraits of these masked mavericks. **A House in the**

Sky Amanda Lindhout, Sara Corbett, 2013-09-03 The New York Times bestselling memoir of a woman whose curiosity led her to the world's most remote places and then into fifteen months of captivity. Exquisitely told. A young woman's harrowing coming-of-age story and an extraordinary narrative of forgiveness and spiritual triumph. The New York Times Book Review: As a child Amanda Lindhout escaped a violent household by paging through issues of National Geographic and imagining herself visiting its exotic locales. At the age of nineteen working as a cocktail waitress she began saving her tips so she could travel the globe. Aspiring to understand the world and live a significant life she backpacked through Latin America Laos Bangladesh and India and emboldened by each adventure went on to Sudan Syria and Pakistan.
