End of an Era: The TikTok Shutdown in the USA Guillaume Lessard, 2025-01-10 Explore the rise and fall of one of the most influential social media platforms of our time in *The End of an Era: The TikTok Shutdown in the USA*. This captivating eBook authored by Guillaume Lessard delves deep into the extraordinary journey of TikTok: its meteoric rise as a cultural phenomenon, its role in shaping modern digital trends, and the geopolitical forces that ultimately led to its shutdown in the United States. From viral dance challenges to political advocacy, TikTok redefined social media and empowered creators around the globe. But behind the scenes, concerns over data privacy, national security, and international relations sparked a battle that would reshape the tech industry forever. In this detailed exploration, you will discover the origins and revolutionary success of TikTok, the complex interplay of technology, politics, and culture that led to its ban, the impact on influencers, businesses, and global audiences, lessons for tech companies navigating an increasingly interconnected and regulated digital world, and whether you're a tech enthusiast, a social media aficionado, or simply curious about the forces shaping our digital age, this book provides an insightful narrative on the collision of innovation, regulation, and public opinion. *The End of an Era* is more than just a story about a social media app; it's a cautionary tale and a testament to the enduring power of digital platforms to influence our world.

Social Media Strategy Keith A. Quesenberry, 2024-02-12 The fourth edition of *Social Media Strategy* is an essential step-by-step blueprint for innovating change, supporting traditional marketing, advertising, and PR efforts, and leveraging consumer influence in the digital world. With a completely integrated marketing, advertising, and public relations framework, Keith Quesenberry's up-to-date textbook goes beyond tips and tricks to systematically explore the unique qualities, challenges, and opportunities of social media. Students learn core principles and proven processes to build unique social media plans that integrate paid, earned, shared, and owned media based on business objectives, target audiences, big ideas, and social media categories. This classroom- and industry-proven text has been updated with new infographics and concise reading sections with frequent tables, checklists, and templates. New and updated case studies in each chapter engage students in contemporary examples from small businesses, large corporations, and non-profit organizations. Focusing on cross-disciplinary strategic planning, content creation, and reporting, this accessible and highly practical text is an essential guide for students and professionals alike. Features: Each chapter includes a preview, chapter objectives, case studies, pull quotes, video links, bulleted lists, infographics, tables, and templates. Chapters end with a chapter checklist, key terms and definitions, and Experiential Learning sections with questions, exercises, and Discover and Explore activities. Keywords are bolded and defined in the text at the end of each chapter and in a comprehensive glossary. Template worksheets for key strategy components with business context examples. New to the Fourth Edition: Fully redesigned, robust graphics engage students visually. New figures include average online advertising costs, uses of AI in social media, and the latest generative AI integrations by company and platform. Fact sheets for each social media platform provide essential data for easy reference. Data includes daily and monthly user activity, main user demographics, advertising CPC and CPM, and
