Digital Manifesto Francois Zielemans, 2018-01-01
Business and IT executives are increasingly working side-by-side in an effort to strengthen their company's strategic advantages, capture new markets that are often digital, and realize value from disruptive technologies. Many professionals responsible for defining and executing IT strategy are being continuously pressured to digitize their company's business model and become more agile, innovative, and proactive, yet they lack the knowledge and guidance to achieve results. This powerful guide from IT executive and digitalization consultant Francois Zielemans provides a set of

principles and practices that will help executives connect business and IT teams by adopting a shared belief system and business model converge or even fuse business and technology life cycles and increase the agility and effectiveness of the entire digital value chain Digital Manifesto provides a road map for turning potential value into realized value

Niche Domination Amelia Green, AI, 2025-03-03 Niche Domination provides a detailed roadmap for entrepreneurs and business managers aiming to achieve market dominance by focusing on specialized segments It emphasizes the importance of identifying underserved niche markets and creating hyper personalized marketing campaigns to foster customer loyalty The book highlights that concentrating resources on a precisely defined market allows businesses to command premium prices and build a defensible competitive advantage The book uniquely integrates customer centric principles with data driven decision making enabling businesses to preemptively adapt to customer demands It begins with defining niche markets and outlining steps for identifying opportunities progressing into market research techniques and audience analysis A core focus involves developing personalized marketing strategies including content creation and customer segmentation The book culminates by providing practical guidance on building brand loyalty and scaling operations Drawing from behavioral economics consumer psychology and digital marketing Niche Domination demonstrates how tailored messages resonate emotionally leading to impactful results It challenges conventional mass marketing advocating for a focused approach that prioritizes depth over breadth especially relevant for online businesses seeking to launch reposition or enhance their marketing efforts
