Introduction To Japanese Politics Fifth Edition Probos:

Introduction to Japanese Politics Louis D. Hayes, 2017-08-07 Introduction to Japanese Politics now in its fully updated sixth edition is a comprehensive and current review of political and public policy developments in Japan Since the previous edition Japan s economic policy has undergone significant change with a prolonged period of deflation having altered the dynamics of the Japanese economy At the same time the Abe administration has expanded Japan s international security participation previously limited by the constitution while China s activities in the South China Sea have impinged upon Japan s territorial claims This classic introduction to the Japanese political system has been revised and fully updated in this sixth edition to take into account these widespread changes in the country s political life Building on the structure and content of the previous edition this new edition covers An overview of Japan s geographical setting and history Japan s political institutions processes and actors Recent organizational ideological and policy changes in the LDP since its return to power The country s distinctive social order and its educational healthcare and public safety systems The increasingly contentious realm of foreign relations and security issues including China s expanding role and the effect of North Korea s development of nuclear weapons This broad ranging textbook continues to be essential reading for students of Japanese politics international politics and Japanese studies

Introduction to Japanese Politics Hayes, 2009-05-15 This widely used text is an even handed forthright attempt to explain the political life of Japan as well as the forces that shape it It demystifies this complex society by explaining the historical background for modern Japan the political process its formal structure the party system and citizen participation the social order and the domestic economy and Japan s role in international politics with emphasis on U S Japanese relations and the international economy The revised and updated Third Edition covers the new ground of 1995 1999 a period during which Japan experienced extraordinary political and economic change

Governing Japan J. A. A. Stockwin, 2008-04-07 This fourth edition provides an in depth up to date chronological analysis of Japan s current political system and the contributions of its leaders It emphasizes why Japan and its politics matters in a global society Ideal for college courses on Japanese or comparative politics as well as for those interested in Japanese war memory constitutional revision and Japan s relationship with the US China and North and South Korea Investigates the divided aspects existing below the veneer of consensus in Japanese politics Explores conflicts between power hungry political groups as well as fundamental differences regarding

Japan's constitution the interpretation of Japanese actions in the Asia Pacific War and Japan's place in today's world
Advocates a system that readily permits changes of party in power for the present system dominated by the Liberal
Democratic Party Examines the extreme statements of high profile politicians to determine whether a nationalist resurgence
in Japan is real or not Sheds light on the official incompetence and the spectacular rise of civil society following the Kobe
earthquake Features numerous Japanese sources Japanese Contemporary Politics Akio Igarashi, 2018-06-27 In the
postwar period Japanese politics has evolved considerably with issues of gender representation and household economics
becoming increasingly salient Meanwhile since the end of the Cold War Japan has joined other developed states in the
process of decentralization and deindustrialization Yet its restructuring has come at a slower pace as the Japanese
bureaucracy attempts to retain a more traditional approach This book a translated and updated version of the author's 2010
monograph *Nihon seijiron* traces these developments in Japanese politics from the end of the Asia Pacific wars to the present
day Examining each of the key stages of transition it looks at four aspects of Japanese politics high politics interest centered
politics life centered politics and globalization It also provides up to date analysis of contemporary themes including the Abe
administration's challenge to international politics and coverage of nuclear issues Written by an experienced Japanese
scholar this book ultimately demonstrates how globalization has transformed the nature of local politics as well as national
security However as seen in the recent triple disaster of 2011 a chapter on which has been added Japanese politics retains
traditional practices that have led to corruption scandal and political mistrust among the electorate Offering a
comprehensive introduction to Japanese politics this book will be invaluable reading for students and scholars of Japanese
politics and comparative and Asia politics in general **Japanese Politics and Government** Alisa Gaunder, 2017-09-19
This book investigates Japanese politics in the postwar era from theoretical and comparative perspectives After providing
historical context it offers an in depth exploration of postwar political institutions political reform in the 1990s the
policymaking process and the politics of economic growth and stagnation The author draws attention to key policy issues
including women and work immigration Japanese aging low fertility society and Constitutional revision By delving into Japan's
international relations the book sheds light on Japan's security and trade policies Japan's role in the Asian region and Japan's
bilateral relations with the U S China South Korea and the EU Themes and questions addressed throughout the text include
How and why did Japan modernize so successfully when so many other countries fell prey to colonialism and authoritarianism
What explains the Japanese economic miracle and its subsequent economic stagnation What accounts for Japan's successful
democratization In the international realm why has Japan achieved economic superpower status without achieving political
superpower status What has or has not changed since the historic election of the Democratic Party of Japan in 2009 and why
What is the future trajectory of Japanese politics Connecting Japan to larger themes in comparative politics and linking Japan's
history institutions policymaking process and international relations to experiences and structures in other countries this

book is essential reading for any course on Japanese or Asian Politics **Japanese Politics** Nobutaka Ike,2018-08-25
