D. Arrington,2005-12-01 Secrets lurked amongst the small intimate group of family and friends secrets they hoped and prayed would never be revealed But when Jackson Pryce is murdered in the wee hours on that frosty Christmas morning the secret he kept about his investigation of the underground world emerges Then Jackson s handwritten notes fall into the hands of Detective Clay Stephens his friend and former partner Determined to find Jackson s murderer no matter where or to whom the road leads one by one Clay shines a light on all of their secrets Yet only one secret would bring all of their fragile worlds crumbling down Only one secret would wreak havoc over all of their lives Only one secret would keep them all living on the edge In time only one secret would break through for all to see It was destined to happen the question is when where and how Would it be Bridgette s decision to keep secret the large sums of money she had quietly withdrawn from her personal bank account or that she sneaked off the Estate to spend an evening with the one friend her husband so desperately tried to keep away from his pregnant wife Would it be David s and Agnes s decision to keep the question of their daughter s paternity a secret or that Jackson the man Bridgette knew as Uncle Jack and loved like a father had shared much more with her mother than just a close friendship Would it be Jeremy s decision to keep hidden the sordid secret of his mother Diana Robinson alias Sara White by claiming his parents were dead or his night of lust and passion with his ex lover Fran McKenzie Would it be Megan s decision to keep hushed that she squandered away hundred of thousands of dollars from her trustfund in the casinos or waiting too late to disclose her relationship with another man Reginald Douglas Ebony ,1981-08 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Hey America Listen Up** Greg DeHart,2019-05-14 A voice of one crying from the subarctic prepare ye the way of the Yeshua His judgment against this nation is right now coming forth and his second coming is at hand Hey America listen up In order to properly introduce this book I must first say I believe in the absolute authority and infallibility of the Holy Scriptures the Holy Bible The Bible is the bottom line authority in respect to all of man s life and conduct and reveals the path of salvation to all who are of a true heart This edition is not meant to be a book on theology but a book of wisdom a collection of exhortations and reproofs written to America over the last twenty plus years in Yehovah s name Yehovah is the ancient name of God it is my understanding that it is most correctly pronounced Ye Ho Vah I am certainly not a humorist but you ll find some humor I m not known to be sarcastic but you ll find some sarcasm You will not find much of the message to be what you may think of as lighthearted although I think you will find the illustrations imaginative human and very relative I am not an entertainer

however likely you will be entertained It is not a work that many would define as politically correct or diplomatic I will admit I m far too straightforward to fit into the popular definition of those terms Simply put Hey America Listen Up is the compilation of expressions of a modern day watchman whose spirit Yehovah has stirred up to speak warning to this society to the end that people of honest heart might be humbled to courageously turn from every wicked way to follow with enlightenment and singleness of heart the way of the one and only true God who is revealed in the face of Yeshua even as the greater portion of our nation s founding fathers did It is a book that predicts the sad and deadly days ahead that will surely fall upon not only this nation but also every nation of the earth that refuses to turn from ungodliness to seek and serve the living God
