ISO 9001:2015 Explained, Fourth Edition

Charles A. Cianfrani,John E. (Jack) West,2015-11-04 The 2015 edition of ISO 9001 has been modernized to update terminology and content to meet current and anticipated user needs The major emphasis of ISO 9001 2015 is still consistent provision of products and services that meet customer and applicable statutory and regulatory requirements This book explains the meaning and intent of the requirements of ISO 9001 2015 and discusses the requirements as they relate to each of the product categories Where appropriate it includes an elaboration of why the requirements are important It also includes typical audit type questions that an organization may consider to assess conformity to internal needs and ISO 9001 requirements Recommendations for implementation are also included This book addresses the needs of Users and

organizations seeking a general understanding of the contents of ISO 9001 2015 Users and organizations desiring guidance to ensure their ISO 9001 2015 QMS meets the new version requirements Users and organizations considering the use of ISO 9001 2015 as a foundation for the development of a comprehensive QMS Educators who require a textbook to accompany a training class or course on ISO 9001 2015 Auditors who desire to increase their level of auditing competence Authors Cianfrani and West members of the expert group that developed ISO 9001 2015 strive to provide a context for all requirements to enable you to develop and deploy processes that will strengthen your QMS Getting or retaining a certificate is not the real objective Satisfied customers and organizational sustainability should be primary objectives for the organization

[Iso 9001 Audit Trail](#) David John Seear,2012-10-16 This book has been revised to coincide with the issue of the ISO 9001 Family of Standards by the same author The intention is to improve the standard of auditing especially audits carried out under the banner of the ISO 9001 standard The ISO 9001 standard is quite capable of allowing organizations certification bodies and auditors to judge if an organization is capable of consistently providing product or service that meets the customer and applicable statutory and regulatory requirements At the present time however there is no common understanding about what the ISO 9001 audit should achieve The aim of this book is to explain what auditing is capable of achieving in particular the method of carrying out audits There is however a need to improve the understanding of the ISO 9000 Family of Standards and to this end appendix C contains the first five pages of that book Auditing can be costly and timeconsuming and for it to be effective it needs to give tangible benefits This book will enable organizations and other interested parties to judge if their auditing activities are effective and beneficial It enables them to examine their approach to audits and compare them with the techniques used within this book
