

Outwitting the Devil Summary

By Napoleon Hill

If you could do anything in the world, what would it be? So what's standing in the way of pursuing this goal? Did you know that according to Napoleon Hill, 98% of us are governed by fear?

Outwitting the Devil was written in 1938 by the author known as "the maker of millionaires." It's a bid to answer the question as to why so many of us fail to reach our full potential, and how we can adopt strategies to achieve our goals.

Despite being written in 1938, it was only published in 2011. This was due to its controversial title and its critique of churches and schools. The book is structured as if Hill (Mr. Earthbound) is interviewing the devil, and it has an engaging Q and A structure. While the devil can be viewed from a Christian perspective, it's more pragmatic to consider the devil as the darkness within us – the doubts and anxieties that discourage us from realizing our full potential.

This summary is a brief guide to some of the factors that nag us and dissuade us from making the most of our lives. Why are so many people aimlessly going through the motions of their lives and not maximizing on opportunities? Hill argues that freedom and success are just around the corner, provided we use our imagination and get to know ourselves and the world around us. By role-playing and having conversations with ourselves, we can unlock a greater sense of purpose.

Outwitting the Devil® Napoleon Hill, 2021-01-19

Following the success of his 1937 landmark bestseller *Think and Grow Rich*, Napoleon Hill wrote *Outwitting the Devil*, an exposé on the methods the Devil uses to ensnare and control the minds of human beings. Exploring the innermost depths of the psychology of motivation to understand why so many individuals, including himself, cannot find the initiative and courage they need to consistently implement the philosophy of individual achievement, Hill went so far as to interview the Devil himself. The resulting confession from the Devil made this book so controversial that it remained unpublished for over 70 years. Now it is your turn to break the Devil's code and free yourself from the hidden methods of control that lead to ruin. In this reproduction of the complete text of Hill's original manuscript, the exact nature of the power by which the Devil disarms human beings with fear, procrastination, anger, and jealousy is laid out so that they do not reach their full potential. This is the same power that paralyzed millions of individuals with fear and despondency during the Great Depression and continues to hold people back from their dreams. Complacency and mediocrity are not the root issue; they are symptoms of deeper ills that we are conditioned by society to accept. But you must open your mind to acquire knowledge and consider facts that might not harmonize with your personal beliefs in order to access a greater truth that will, as Hill said in his original preface, bring harmony out of chaos in this age of frustration and fear. If you have been the victim of lost courage, weakened enthusiasm, and lack of self-discipline, if you are demoralized and plagued by fear, anxiety, overwhelm, or apathy, the seven principles to freedom detailed in this book herald your redemption. You will finally become independent of the causes of failure and misery, break the bonds of destructive habits, and unlock the secret of a natural law as significant as the law of gravity so that you can outwit the devil once and for all.
