## **The Complete Idiots Guide To Cold Calling:**

The Complete Idiot's Guide to Cold Calling Keith Rosen MCC,2004-08-03 Does this sound familiar If I could get in front of the prospect the rest of the selling process becomes easier It s just getting in front of them that s the challenge The fact is most cold calling efforts are doomed from the start Salespeople lose sales not due to a lack of effort but because they lack a prospecting system they are comfortable with and can trust to generate greater consistent results If you are prospecting the same way you have been for the last several years including the calling to check in touch base or follow up approach or haven t been prospecting at all you re simply making it easier for your competition to take away the new business you are working so hard to earn So if you love to sell but hate or don t like to prospect this book is your opportunity to maximize your cold calling potential and boost your income by learning how to get in front of the right prospects in less time and create greater selling opportunities without the fear pressure or anxiety associated with cold calling This Complete Idiot s Guide will show you how to Utilize the seven steps to a permission based cold calling conversation so that you don t have to push your presentation and hope there s a fit Create winning voice mail messages that will ensure more return calls Develop your MVP Most Valuable Proposition that separates you from your competition Craft the Compelling Reasons that would motivate a prospect to speak with you Prevent and defuse initial objections such as I m not interested We don t have any money now or Call me back later Design your own step by step prospecting and follow up system that runs on autopilot and is aligned with your selling philosophy strengths objectives and natural talents rather than taking the generic one size fits all approach Develop the right questions and uncover new selling opportunities in seconds so that you can stop wasting precious time on the wrong prospects *Indianapolis and Fort Wayne* ,1952
