## **The Kanji Dictionary:**

**The Kodansha Kanji Learner's Dictionary** Jack Halpern, 2012 The Kodansha Kanji Learner's Dictionary answers the urgent need for an easy to use kanji dictionary compact enough to be easily carried around yet detailed enough to satisfy the practical needs of the beginning and intermediate learner Its basic goal is to give the learner a thorough understanding of kanji by providing instant access to a wealth of useful information on the meanings readings and compounds Normally the learner must memorize numerous compounds as unrelated units A unique feature of this dictionary that overcomes this difficulty is the core meaning a concise keyword that defines the dominant sense of each character followed by detailed character meanings and numerous compounds that clearly show how thousands of building blocks are combined to form countless compound words Another unique feature is the System of Kanji Indexing by Patterns SKIP an indexing system that enables the user to locate characters as quickly and as accurately as in alphabetical dictionaries Modern linguistic theory has been effectively integrated with sophisticated information technology to produce the most useful kanji learner's dictionary ever compiled For the first time learners have at their fingertips a wealth of information that is linguistically accurate easy to use and carefully adapted to their practical needs

**FEATURES**

- o 2 230 entry characters including all the kanji in the Joyo and Jinmei Kanji lists
- o 41 000 senses for 31 300 words and word elements show how each character contributes to the meanings of compounds
- o 1 200 homophones with core meanings explain differences between closely related characters
- o 386 variant forms used in prewar literature and in names
- o 1 945 stroke order diagrams show you how to write each kanji stroke by stroke
- o 7 200 character readings including name readings
- o Over 2 000 cross references and five appendixes give instant access to a mass of useful reference data

**The Kodansha Kanji Learner's Dictionary** Jack Halpern, 2013-05-31 With The Kodansha Kanji Learner's Dictionary Revised and Expanded learners finally have at their fingertips accurate and in depth information on all the kanji prescribed by the Japanese government In all 3 002 characters 772 more than in the first edition fill its pages making it the most comprehensive and up to date dictionary of its kind The main goal of the dictionary is to give the learner instant access to a wealth of useful information on kanji including their meanings readings stroke order and usage in compounds Compounds pose a special problem for learners Normally one must memorize them as unrelated units A unique feature of this dictionary that overcomes this difficulty is the core meaning a concise keyword that defines the dominant sense of each kanji followed by character meanings or specific senses the kanji can have when used in the living language Together these features help learners understand the logic behind compound formation Another unique feature is the System of Kanji Indexing by Patterns SKIP a revolutionary indexing system that has gained widespread popularity because it enables the user to locate characters as quickly and as accurately as in alphabetical dictionaries With SKIP all one needs to do to find a kanji is identify the geometrical pattern to which it belongs then count the strokes in each part of that pattern a much speedier process than searching by traditional methods These features and many more make this dictionary

the most powerful kanji learning tool ever devised      *Kodansha's Essential Kanji Dictionary* Kodansha International,2012-02-21 Whether full time students business people or casual readers all have felt the need for a compact up to date practical kanji dictionary Something that would fit into a shoulder bag or briefcase could be taken to class or would sit unobtrusively on a desktop Kodansha s Essential Kanji Dictionary is precisely that dictionary designed specifically to meet the needs of the modern man and woman It includes all of the 1 945 Joyo Kanji the core kanji recommended by the Japanese Ministry of Education for use in Japanese newspapers and magazines Knowing these kanji the student can recognize virtually every Chinese character appearing in the daily press And that is not all This dictionary also features some 18 000 kanji compounds both those with Chinese readings on yomi and those with Japanese readings kun yomi These compounds have been carefully selected for practicality usefulness and timeliness The living language has received exclusive priority including such words as favoritism and statute of limitations For those interested in securities stocks and bonds and the diverse terminology of the business world related terms and jargon are clearly marked for easy reference Simply open the book and look for the Yen sign There you will find current price aggregate market value issue at market price and a great deal more For those who want to write kanji the stroke order of each and every character has been duly noted But more important the Essential Kanji Dictionary does its utmost to help the reader locate the needed character Aside from the traditional radical chart on the back endpaper there are three invaluable indices as well The first is by the reading of the kanji either Japanese kun or Chinese on The second is by radical but not by traditional radical alone Also included are variants and near misses directing the reader precisely to the right page The third is by stroke number if all else fails count the strokes and track the character down With a copy of Kodansha s Essential Kanji Dictionary close at hand with its definitions stroke order Chinese compounds Japanese compounds business terminology and three helpful indices the life of the typical student of Japanese should take a decided turn for the better FEATURES 1 945 Essential Joyo Kanji 18 000 Common Compounds 2 000 Practical Business Terms Three Indices for Finding Kanji Compact for Handy Reference Functional Up to Date Timely      *Kanji Fast Finder* Laurence Matthews,2017-02-07 This Kanji reference book employs a revolutionary and user friendly new way to look up Japanese kanji by appearance rather than radical Kanji Japanese characters are a fascinating but frustrating part of the Japanese language In particular looking up kanji in a traditional dictionary can be a nightmare as there is no alphabetical order With Kanji Fast Finder you can find kanji in seconds from their appearance alone From the finder chart inside the front cover you can turn to the correct page immediately and finding the kanji on that page has also been made as simple as possible As an optional feature you can make a double thumbnail index to speed things up even more The fast finder is designed primarily for those who want to seriously learn kanji and serves as a quick reference for experts but is also suitable for beginners or people who wish to dip into kanji browse or simply discover what a street sign means With this book you can Find kanji quickly reliably and intuitively from their visual

appearance alone Quickly check the meanings readings stroke counts and radicals of kanji Look up newly encountered kanji or check ones you have temporarily forgotten Track down elusive kanji more easily than large kanji dictionaries Simply browse and explore comparing similar kanji Features all 1 945 General Use Kanji as prescribed by the Japanese Ministry of Education This book contains hints and suggestions on finding kanji but the system is so intuitive that you will be able to use it immediately and with very little guidance By the time you have looked up half a dozen kanji you will appreciate the speed with which you can locate kanji in the Fast Finder

*The Learner's Japanese Kanji Dictionary* Mark Spahn, Wolfgang Hadamitzky, 2004-02-15 The authors have succeeded in the purpose of making it as easy as possible to look up the readings and meanings of Japanese words written in Chinese characters The Modern Language Library The purpose of this Learner's Kanji Dictionary is to offer a handy and easy to use Japanese language tool to look up the readings and meanings of Japanese words and names written with Chinese characters kanji Each kanji entry is presented in extra large form with its strokes labeled in order by small numbers 1 2 3 positioned at the beginning of each stroke to show how the kanji is to be written Handwritten pen and variant forms of the kanji are also given along with its general structure and graphemes This dictionary is a concise version of the more comprehensive Kanji Dictionary In all this Japanese dictionary lists the most important 2 882 characters and 12 073 multi character compounds including all 1 945 Joyo Kanji decree for general use plus all 284 Jinmei yo Kanji sanctioned for use in given names In addition the most frequently used approximately 700 surnames and 600 given names have been added One feature that makes this dictionary particularly useful for a beginner or anyone else wishing to learn Japanese is that every compound is listed under each of its characters This multiple listing makes it possible to look up a compound under whichever of its characters is quickest to find and it is a big help in deciphering sloppy handwriting or a blurred copy Entries are arranged according to a radical based lookup system of the same type used in virtually all character dictionaries but with improvements that make it particularly easy to learn and use And with the alphabetically arranged index of kanji readings at the back of the dictionary the user can look up a character via any of its known readings or look up a compound via any of the readings of any of its characters without having to determine radicals or count strokes This handy character dictionary includes 2 882 character entries and 12 073 compounds Character entries are according to the system of 79 Radicals English Japanese and Japanese English Sections Information about writing form structure etc of each of the characters Approximately 700 surnames and 600 given names An alphabetical pronunciation index
