

# What happened?

Michael was playing video games in his bedroom. Then, he suddenly heard an explosion nearby. He ran to the kitchen as soon as he could. He looked shocked and scared. He told his parents that he heard that explosion. His dad went outside as fast as he can, and he saw fire nearby. He called the fire station department and they arrived quickly as fast as they can. The fireman found out that the neighbour was injured, and they called the ambulance immediately. The ambulance came to the area very fast. They found the neighbour and went to the hospital. Three days later after the explosion, the neighbour had 35% of skin burn. Michael and his family were worried about the neighbour because he was so helpful and friendly. The whole family went to the hospital to look up for the neighbour. After finding the neighbour, the neighbour told the family that his dog played with his oven when jumping. The neighbour's dog died after the fire explosion. "We will help you," the family said. The neighbour thanked the family. 12 days later after the explosion, the family began to rebuild the house, and the neighbour is healthy again. Now, the neighbour's dog is dead sadly. The neighbour must buy a new dog. The neighbour is saved now. Thanks to Michael that the neighbour's life is saved.
