based studies in this area with discussion of what those studies found and why they are important Each chapter also includes a critical discussion of the corpus based methods employed for research in this area as well as an explicit summary of new findings and discoveries

Adverbs and Adverbials Olivier Duplâtre, Pierre-Yves Modicom, 2022-06-21 Adverbs seem to raise unsolvable issues for theories of word classes both crosslinguistically and language internally The contributions in this volume all address this categorial problem from a variety of formal and functional points of view In the first part current definitions of the class for Romance and Germanic languages are being questioned and improved drawing on data from English German and Italian The second part is devoted to adverbial scope in Romance French Italian and Brazilian Portuguese Germanic Modern Greek and Chinese under special consideration of modal adverbs subject oriented manner adverbs and domain adverbs and adverbials Syntactic and semantic relationships appear to lay the ground for a robust and fine grained functional definition of adverbs and adverbials

ELT Revisited Marcela Malá, Zuzana Šaffková, 2016-08-17 This volume brings together selected papers presented during the 9th International Conference of the Association of Czech Teachers of English titled Teaching for Tomorrow and hosted by the English Department of the Faculty of Science Humanities and Education at the Technical University of Liberec Czech Republic The conference brought together English Language Teaching ELT professionals from primary secondary and tertiary education to discuss a variety of English as a Foreign Language EFL related topics ranging from reports on language research to viewpoints and insights on classroom practice The contributions are grouped into three sections a Focus on Selected Language Topics b Increasing Learner Autonomy and c Innovative Teaching English as a Foreign Language TEFL ideas Papers were carefully chosen in order to appeal to a broad audience Consequently there are articles which have a mainly theoretical bent and those which have a more practical leaning Although the conference was hosted in the Czech Republic and the majority of participants were from this country the book is relevant to any context where English is taught as a foreign or second language Therefore teachers advanced students of English language researchers and indeed anyone engaged in the EFL profession will find this collection both educational and thought provoking
