Larga Marcha La:

Juan Carlos of Spain Charles Powell, 2016-07-27 Widely acknowledged as a key figure in Spain's remarkable transition to democracy following General Franco's death in 1975 King Juan Carlos consolidated his reputation as a champion of democracy by aborting the attempted military coup of 23 February 1981 This political biography of the Spanish monarch sheds new light on his childhood the process whereby he became Franco's successor in 1969 his subsequent contribution to his nation's democratization and his role as constitutional monarch since 1978 both at home and abroad **Juan Carlos**

Paul Preston, 2004-06-29 Preston explores the political and personal mysteries of the former Spanish monarch's life in a story of unprecedented sweep and exquisite detail which is at once a history of modern Spain and an indispensable exegesis of how democracies come to be *A People Betrayed* Paul Preston, 2020-06-16 Nowhere does the ceaseless struggle to maintain democracy in the face of political corruption come more alive than in Paul Preston's magisterial history of modern Spain The culmination of a half century of historical investigation *A People Betrayed* is not only a definitive history of modern Spain but also a compelling narrative that becomes a lens for understanding the challenges that virtually all democracies have faced in the modern world Whereas so many twentieth century Spanish histories begin with Franco and the devastating Civil War Paul Preston's magisterial work begins in the late nineteenth century with Spain's collapse as a global power especially reflected in its humiliating defeat in 1898 at the hands of the United States and its loss of colonial territory This loss hung over Spain in the early years of the twentieth century its agrarian economic base standing in stark contrast to the emergence of England Germany and France as industrial powers Looking back to the years prior to 1923 Preston demonstrates how electoral corruption infiltrated almost every sector of Spanish life thus excluding the masses from organized politics and giving them a bitter choice between apathetic acceptance of a decrepit government or violent revolution So ineffective was the Republic which had been launched in 1873 that it paved the way for a military coup and dictatorship led by Miguel Primo de Rivera in 1923 exacerbating widespread profiteering and fraud When Rivera was forced to resign in 1930 his fall brought forth a succession of feeble governments stoking rancorous tensions that culminated in the tragic Spanish Civil War With astonishing detail Preston describes the ravages that rent Spain in half between 1936 and 1939 Tracing the frightening rise of Francisco Franco Preston recounts how Franco grew into Spain's most powerful military leader during the Civil War and how after the war he became a fascistic dictator who not only terrorized the Spanish population through systematic oppression and murder but also enriched corrupt officials who profited from severe economic plunder of Spain's working class The dictatorship lasted through World War II during which Spain sided with Mussolini and Hitler and only ended decades later in 1975 when Franco's death was followed by a painful yet bloodless transition to republican democracy Yet as Preston reveals corruption and political incompetence continued to have a corrosive effect on social cohesion into the twenty first century as economic crises Catalan independence struggles and financial scandals persist in dividing the country Filled

with vivid portraits of politicians and army officers revolutionaries and reformers and written in the absorbing Economist style for which Preston is so revered *A People Betrayed* is the first historical work to examine the continuities of political unrest and national anxiety in Spain up until the present providing a chilling reminder of just how fragile democracy remains in the twenty first century *La larga marcha* Stephen King,2013-05-23 Una inquietante novela futurista donde la realidad supera a la fantasía m s terrorífica El escenario una sociedad ultraconservadora que ha llevado al paroxismo sus rasgos m s perversos dominada por un estado policial El acontecimiento la m s extraordinaria competici n deportiva una agotadora marcha a pie donde un resbal n puede ser el ltimo Los competidores cien adolescentes elegidos por sorteo decididos a pasar sobre los cad veres de sus compa eros para llegar a la meta El premio fama y fortuna para el ganador es decir para el nico superviviente Solo uno ser el triunfador Los 99 restantes morir n **Minutes of Plenary Sessions and Committees** ,1903 **Arbitration Between Peru and Chile** Peru,1923 Transactions of the ...
